VI. REPORTS

A. EDUCATION

THE REPORT OF THE CHAIRMAN, BOARD OF EDUCATION

Eight members of our Oregon Conference attended the National Conference on Christian Education, Nov. 4-11, 1957 in Cincinnatti, Ohio. It was somewhat gratifying to discover that many of the procedures being discussed and proposed nationally have been functioning in our conference for a number of years.

The ensuing reports of our Camping Commission, Wesley Foundations, Willamette University and committees functioning under the Division of the Local Church will reflect the varied and growing program of the Board of Education.

Major financial support from the conference for Board program goes each year to the educational institutions related to the Board. Our Camping Commission has sought to be self-sustaining apart from capital improvements, but study is being made of means to increase finances coming in for expanding operation costs.

Your Rally Day offerings are the sole support of the program of leadership training and resources of our Division of the Local Church. We urge each local church to receive the offering this Fall, Rally Day being recommended as September 21, 1958 and the goal again 15 cents per church school member.

Special emphasis this year will be on three-day leadership training conferences in each sub-district. We are cooperating with a Portland Area Committee working towards representation at the Family Life Conference in Chicago and the United Nations Seminar in New York next October.

District Adult Secretaries have received fine training this past year and will be lending assistance to adult workers and teachers in their districts this coming year. Our aim continues to be, "help all of our people to 'grow' in their faith."

THE REPORT OF THE
COMMISSION ON CHRISTIAN VOCATIONS
1958

At its January meeting, the Conference Commission on Christian Vocations reviewed its work and made further proposals to implement its concern in Christian Vocations. A discussion arose on the question of what our program on Christian Vocations should emphasize—recruitment, or guidance and counseling on a Christian philosophy of vocation, or both. After some discussion it was noted that it might be well for this group to think through and propose a plan, program or approach and make some statement concerning our philosophy of Christian vocations. The need for such work was indicated by what was said to be "endless discussions that arise on 'What is a Christian Vocation?' and whether we ought to seek committment to church related vocations or work for better understanding of the general philosophy of Christian vocations."

The Christian Vocations Fellowship was discussed and concern was registered that it not become a "Holy Club." The comments which followed indicated that this was not the case. C.V.F. is a loosely organized fellowship of high school students and freshmen and sophomore college students who wish to investigate the possibility of a church-related vocation. Two retreats are held each year. A Fall retreat is planned each year to deal specifically with issues confronting youth committed to full-time church service. A Spring Retreat is planned for the second week-end in May to deal more generally with Christian Vocations.

The following actions were taken by the Commission:

It was suggested that those planning the Willamette Counseling Session for high school students at the Multnomah Hotel consider the possibility of setting up a booth for counseling on Christian vocations.

That the secretary write Conference Woman's Society of Christian Service secretaries of Youth and Student work suggesting to them that they urge their local secretaries to assist youth from their churches (whether at home or on a

sentatives will be trained and inspired in the work of Higher Education. This will be presented to the Co-Ordinating Council for clearance.

8—We are urging each local church to have appointed this spring a representative of Higher Education, who will act as liason officer between the Commission and the local church, and who will work with the local church Commission on Education.

9—We are urging the growing support for the minimum standard of giving of $1.50 per member for the Higher Education program. The total financial phases of the work of the Commission will be studied this year and plans made for advance in the field of capital improvements and enlarged programs on the various campuses.

THE REPORT ON WILLAMETTE UNIVERSITY

At this midpoint in the quadrennium which has an emphasis on Christian higher education, Willamette University is in its 116th year of service to the Conference and to its constituency. This year Willamette has started an evaluation of its educational program, the services which it can provide to young people who come seeking an education, and its contribution to the Conference.

Currently the University is serving over 1100 students. It becomes increasingly evident that with the demands now being made for enrollment, the University will be placed in a position of having to be even more selective. Residence facilities during the current year have been full and it is impossible to anticipate expansion to the maximum of 1250 students, which has been approved by the Board of Trustees, until more housing facilities are available.

A year ago the University appointed a full-time Chaplain to give guidance and leadership to the religious life of the campus. Doctor Harley H. Zeigler has brought new vitality to the religious interests at Willamette. He is an excellent counselor for students and has stimulated the faculty with the organization of "the Wranglers" a faculty group which meets periodically throughout the year for discussions on topics of importance.

Willamette is increasingly becoming the center of a number of conference activities. In September 1957 the second annual Methodist Men's Retreat was held here and we are looking forward to entertaining this outstanding group of Methodist men again this September.

On March 8, 1958 more than 1100 high school students representing 70 Methodist churches in the Conference, convened on the campus for the Methodist Youth Conclave.

The facilities of the University have been offered for a Laboratory School program, which is under consideration by those in charge.

Under the direction of Professor Burton Bastuscheck, Willamette continues to be of service in the area of Town and Country Church.

Willamette wishes to take this opportunity to express appreciation for the continued support of the Conference through the Conference budget and through the budgets of the local churches, In the voluntary giving on the part of the local churches, nearly 80 percent of the dollar support which comes from this source is supplied by those churches which include the University in their church budgets. If the Oregon Conference is to reach the goal of $1.00 per member in support of its institution of higher learning within the Conference, this must be achieved by an increasing number of churches adding the University in their annual budgets.

President, Willamette University

THE REPORT OF
THE WESLEY FOUNDATION AT SOUTHERN OREGON COLLEGE

Ashland, Oregon

In the last ten years Southern Oregon College has grown from 67 students to an enrollment of more than 1,000. Of the present enrollment approximately 15% are Methodist preference, but because there is no other denominational student group which has been able to continue regular meetings, the prospects for the Wesley Foundation are extraordinarily favorable.

campus) to attend the Spring Retreat of C.V.F. by providing scholarships and travel funds.

That an inquiry be made about the National Methodist Scholarships and how they are awarded. It was noted that Dr. Smith of Willamette is representative for National Methodist Scholarships in this area.

That the Woman's Society of Christian Service be asked to retain their Minority Group Scholarships (two of $350) for Methodist Students and that they not be awarded to non-Methodists but be held until our own people apply for them. It was noted that the Woman's Society of Christian Service budget should not be penalized in any way if they seek to hold this money over from one year to the next.

That sub-district counselors of M.Y.F. be asked to serve as official Counselors on Christian Vocations in their area. This would entail consulting with youth in their area who are interested in Christian vocations, gathering data for the Conference file and sending it to Mrs. V. D. Bain at 508 New Fliedner Building, Portland 5, Oregon encouraging their M.Y.F. Councils (sub-district) to plan a Christian Vocation Conference from time to time as a sub-district meeting and help their youth think through the issues involved in Christian vocations in every way that they can.

That provision be requested for coaching on the Local Church Committee on Christian Vocations at future sub-district and/or District Leadership Training Schools, Coaching Conferences, or similar programs in order to encourage, aid, and guide local churches in an effective program on Christian vocations.

That there be sent a letter to the District Superintendents (with a copy to Bishop Grant) urging them to encourage and aid the local churches in setting up or activating committees on Christian vocations.

Respectfully submitted,
Kenneth W. Peterson
Chairman

THE REPORT OF THE COMMISSION ON CHRISTIAN HIGHER EDUCATION

The Commission has been attempting to build the Annual Conference Program on Higher Education in keeping with the plans as proposed by the General Commission of the church. At present, we are working toward the following goals:

1—Every local church in the Conference to hear the story of Higher Education in the state, at congregational meetings, official board sessions, etc. A certain group of churches have been covered before the 1958 session of Annual Conference. Directors of Foundations, Representatives of Willamette University, members of the Commission and others have been assisting in this work, and are available. Dr. Brooks Moore clears requests and assignments. This work will be continued through the coming year until completed.

2—In relation to the Oregon Centennial in 1959, we are proposing Methodist participation in the Centennial, and also are planning to use the period for the services of re-dedication of our Methodist Educational Institutions. This should be a significant phase of our promotional work.

3—We are developing under leadership of Gene Albertson a brief but important document which will be made available to local church groups in spreading abroad information about our state Methodist institutions. This will be used by speakers and deputation teams as they visit local churches.

4—Students in the various schools are being trained and prepared to be ambassadors to their home churches and communities. Local churches are urged to make use of the student as they return from time to time to their home churches.

5—We will continue to make use of materials provided by the general church in keeping in touch with faculties of our schools, and with leaders of religion on the various campuses.

6—We are urging all our leaders to make use of Bishop Grant and other national figures in the educational field, as they come to our state in their various capacities.

7—We are proposing a series of fall conferences, 1958, on Christian Higher Education, set up on a district or sub-district basis, in which local church repre-

We are fortunate to have the close cooperation of the First Methodist Church of Corvallis. Sunday morning worship is the high point of the week for Wesley Foundation as the students join the congregation of the church in worship. This year it has not been unusual to have 400 students or more on a single Sunday morning participating in the services of worship. Students participate in the choirs, teach in the church school, provide leadership in the M. Y. F., serve on committees and the Official Board, and in many ways become part of the life of this church.

The program for single students has been strengthened this year by the fact that a number of our students have had opportunities for training and have been challenged by attending several important conferences. Ten students went to Lawrence, Kansas for the Sixth Quadrennial Methodist Student Movement Conference during the Christmas vacation and the strength gained there has been apparent in the life of the students program. Forums have revealed more maturity on the part of the students and several noon time study groups have been a direct result.

The Wesley Weds have expanded their program to include a monthly evening discussion, a recreational activity, and a Sunday morning class. At least 42 couples have participated in the Weds activities, with attendance at discussion groups averaging about 40 recently.

We are planning to coordinate our seminars and study groups closely with the other denominational Foundations at Oregon State next year in the hope that we may be even more effective in serving the needs of the Methodist students on this campus.

Robert N. Peters
Minister to the Campus

THE REPORT OF THE EASTERN OREGON COLLEGE WESLEY CLUB

La Grande, Oregon.

The Wesley Club at Eastern Oregon College, La Grande, Oregon is having its best year. Methodist preference students from the Idaho, Oregon and Pacific North West Conferences with a few from afar are fellowshipping in an effective and progressive manner. All activities are conducted in the First Methodist Church which is a mile off campus. Participation in the worship services, and in service opportunities within the regular life of the church is gratifying. Their regular Thursday evening supper is well patronized. The well planned devotions and programs which follow are participated in by 30% of the enrolled Methodist preference student body. The executive committee of nine members plan the programs on all areas of interest covering a wide range of topics. "Our World Neighbors," covered a month's programs. World travelers, foreign exchange students, returned soldiers presented programs. A month's programs on "What's Life all About," and another on "Prejudices," commanded some worth while leaders and thought.

A counseling committee of four members of the College faculty and the charge lay leader stand ready to aid them in planning and procedure. Several members look forward to participation in the Spring session of Wesley Foundation and M.S.M. at Camp Magruder.

Our future expansion awaits an expanded budget and extended organization and increased leadership. A fine group of leaders among the student body, experienced through life in our churches are doing a great job.

H. J. Gernhardt, Pastor-Director

THE REPORT OF THE WESLEY FOUNDATION AT THE UNIVERSITY OF OREGON

There are 667 Methodist Preference students at the University of Oregon, the large proportion being single students. Over 1500 students list themselves as "Non-Preference" and another hundred list themselves as "Protestant Preference" only—no denomination. The 667 Methodist preference students represent the minimum parish for the Wesley Foundation at the University of Oregon. The scores of unchurched students provide an even larger parish.

During the 1957-58 Conference year there has been continual activity in the Wesley Foundation. The new Wesley House, which is the only Christian student center in Ashland, has been constructed at an approximate cost of $10,000. More than half of this amount was made available from Forward Movement Funds, the remainder was raised in Ashland and other Oregon churches. Generous gifts of building materials from Southern Oregon business firms greatly aided construction. The new building provides approximately 1,600 square feet in a multi-purpose room which has facilities for group meetings, recreation, and chapel. A small wing of the building provides space for utilities, kitchen, office, and rest rooms.

The student program has also undergone rapid growth. Because of the lack of facilities during 1956-57, the Foundation suffered in its student program. In 1957-58, however, students were using the new building even before it was completed. There have been regular meetings three times each week since the opening of school in September. On Thursday evenings a fellowship seminar is conducted; on Wednesday noons there is a no-host luncheon; on Sunday evenings there is a supper. In the fall term a class in Understanding the Bible was also offered by the director. Attendance, while not large, has continued to improve. Approximately 30 students have been reached with regularity throughout the year. Attendance at morning worship in First Church, located two miles from the campus, has been consistently encouraging.

The needs of the Wesley Foundation during the immediate future remain great. With a new building which adequately meets the needs of the present student generation, and which will serve for many years in the future, increased maintenance and operating expenses are apparent. The student program, which is more and more self-sustaining, needs financial support during these formative years.

Louis Miles, Director
Wesley Foundation at Ashland

THE REPORT
of the
WESLEY FOUNDATION at OREGON STATE COLLEGE
Corvallis, Oregon
1957-1958

This has been a year in which a number of new factors have been consolidated in the Wesley Foundation at Corvallis. Some of them have been:

1. New staff. Both the Minister and the Minister to the Campus are in their first year of appointment to Corvallis.
2. Use of a relatively new building. This is the first full year of use of the new Wesley Foundation quarters.
3. Integrated Budget. For the first time the Wesley budget is integrated with that of the church and finances are coordinated through one Treasurer and one Bookkeeper.
4. Single Students "Team System." In this system, operating now in its second year, eight teams rotate in responsibility for worship, service, recreation and forums. Each member of Wesley single students program becomes a member of a team and participates in planning and executing each phase of the program.
5. Wesley-Weds. Our program for married students, now in its second year.

Our philosophy has been to introduce no radical changes in policy or program this year, but, rather, to make the existing structure function as effectively as possible.

The Oregon Conference and the Corvallis Methodist Church have provided attractive facilities for a student program, and much of the success of this year's work has been attributable to the excellent provisions for student work. Much remains to be done, however, in decorating, furnishing and equipping the new quarters before they will be capable of maximum service.

There are approximately 7600 students enrolled at Oregon State College this year, of which 1220 have indicated a Methodist preference.

It becomes the responsibility of the Foundation to provide a ministry to these students, then, including religious education, opportunity for spiritual growth, personal counseling, training in churchmanship, education in Christian citizenship, fellowship and social activities. This is a big Job!

behalf to the 170 students from 57 Oregon communities who have registered as Methodist preference. This is exactly 20% of the student body and this ratio holds among the Faculty as some 15 of them are Methodist in their concern and support.

During this past year we have rented a bus which runs from Monmouth to Independence to transport interested students to the morning worship hour. The average attendance in the morning has been 15 students and in the evening 12 students. This project will be continued next year as it is the only one that seems to half-way solve our transportation problem.

Seeking to reach more students and to encourage students to think more deeply about the values they hold, our Wesley Foundation requested and received permission from the Student Council to hold the first of weekly mid-week chapel services which the campus has had. These services were held on campus on Wednesday morning at 7:30 a.m. and averaged 21 students a week this first year. This program will be continued next year with the hour and date changed to a noon-hour service. The Westminster Foundation will assist in the service as we seek to strengthen the total religious program on campus.

For the first time this year a series of non-credit courses were taught by the Pastor-Director. These were held for an hour and a half each week for ten weeks. This program met the needs of only a few as about 5 students enrolled the first two quarters. It is planned to hold this same kind of class next year on Sundays following the worship hour.

The building program has developed slowly this year. The local church in Independence voted in December 1957 to move it to Monmouth. The total cost of $4900 has now been paid for a piece of property 165' by 572' on which a future church and foundation building will be erected. We have been working with the Board of Missions and Church Extension, the Conference Board of Education, and the Quadrennial Commission on Higher Education in an attempt to raise funds so that our building may be started. It does not now appear that such a building will be started before 1960.

In view of the unusual missionary opportunity at Monmouth, we urge the Conference Board of Missions to give special and preferential rating for allocation to the Monmouth Methodist Church for church extension capital investment.

Roy Agte,
Pastor-Director

THE REPORT OF THE CAMP COMMISSION 1958

Oregon Conference Camp Commission has been very busy this year promoting the year around camping activities of our Conference. We have expanded the operations of the camping program in several new directions, which will give to our Conference a more varied program. First, a Trail Camping Program will be under way this summer with at least three Trail Hikes under the direct supervision of the Rev. James Workman. They are scheduled for the Suttle Lake—Mt. Jefferson Loop; the Suttle Lake—Sisters Route; and the Wallowa Lake Loop. Check the "Let's Go Camping folder for dates and cost. This type of camping is open to high school graduates, college students, older youth and young adults. Second, the Oregon Conference by recommendation of the Camp Commission and Board of Education has begun camping in cooperation with the Idaho Conference at Wallowa Lake Methodist Camp Grounds. The Rev. Donald Campbell will be the Dean of a Junior High Camp to be held there July 19-24. This will enable more of our Eastern Oregon Churches to participate more fully in the summer camping activities. Plans are now being made to develop other age-group camps at Wallowa Lake during the summer of 1959. Representatives of the Idaho Camp Commission and the Oregon Camp Commission have formed a study committee to work out the details of program and staff. This is a beautiful site for camping where already the Idaho Conference has nearly completed a beautiful $30,000 lodge. They are now planning further expansion of their camp buildings and facilities.

These are the new programs for the coming year, but we have just completed a successful year of camping in Oregon. In our three Camps; Dead Indian Soda Springs, Suttle Lake, and Camp Magruder, we served 624 Juniors; 320 Junior Highs; and 302 Senior Highs plus 69 other Seniors at our Conference

The formal program of the Wesley Foundation at the University of Oregon involves week-long activities covering the field of education, worship, recreation, and outreach. Faculty, ministerial, and lay leadership is used extensively in carrying forth the program. Besides the traditional Sunday Evening Firesides at which students study and discuss problems of the Christian faith which arise from their campus life, Wesley Foundation maintains a "School of Religion," offering courses which supplement the courses given at the Department of Religion of the University. In addition to this, an Inquirer's Group arose out of the need for further study as to the nature of the Church and the Gospel, and the relevance of the Gospel to the University community. Furthermore, in encouraging students toward a more mature faith, the Foundation has a fine selection of religious books available in its library and on its "for sale" table.

In the area of worship and outreach to the campus, a new program was initiated during the Spring of 1957. In cooperation with the First Methodist Church, Wesley Foundation sponsors an 11:00 worship service for students in Wesley Foundation's lovely Howard Chapel. Believing that the ministry of the Foundation to the campus could be greatly strengthened and that the number of students attending Sunday morning worship could be increased, this service was instigated. It has proven itself in as much as 200 students from the University—not all of whom are Methodist—have registered their attendance this year at the service. Through this service students have been encouraged to work in weekend workcamps as well as to consider the Methodist Student Service Projects which take place in the summer. Other opportunities to participate in Wesley's program are emphasized through the bulletin, through the bulletin boards, and by special displays. Students participate in the worship service by providing music, by ushering, and by assisting the minister during the service as a student leader. Along with the new service, there has also been an increase in student attendance at First Methodist Church, and thus the Methodist Church is reaching better than twice as many students through its Sunday morning worship services as in previous years.

The Wesley students support their own program with a budget of $2100.00, $600.00 of which is raised through pledges. The students this year are sponsoring two international students, both of them from the Netherlands. One of these students is receiving partial support from individual members of First Methodist Church. The students also give $400.00 to the Methodist Student Fellowship Fund in support of the national Methodist Student programs overseas and at home.

Through the Religious Directors' Association and the Univesrity Religious Council, the Wesley Foundation joins other religious groups in carrying forth general campus projects, such as Religious Emphasis Week, the community Easter Sunrise Service, raising funds for World University Service, etc. A seminar on "Contemporary Theology" is presently being considered for either this Spring or for the Fall quarter. The Religious Directors, with proper academic qualifications, will be leading the seminar. Such a seminar will be given under the auspices of the Department of Religion at the University and will carry credit.

Over 250 students have been influenced to some degree by the Wesley Foundation this year.

The University is sometimes called "our greatest home mission field" because of the many international students attending school here. Wesley Foundation played host to the Cosmopolitan group during the first part of the year, and have about a dozen regular attenders from the international students in its Sunday morning service.

We at the Foundation at the University of Oregon are indeed thankful for the splendid support of Oregon Methodism.

Respectfully submitted,

THE REPORT OF THE CHILDREN'S WORK

It has been a pleasure for Children's leaders to serve the Churches of the Oregon Conference this year. We have had many types of training sessions including our 16th annual Laboratory School at Eugene in June which was attended by 101 students. This School is one of our best training opportunities offered to teachers, pastors and parents. In the fall last year we held a series of Coaching Conferences to help train teachers in the use of our Methodist curriculum. A second one was held in January and early February giving help with worship and Easter. These were both well attended. After Easter a series of Vacation Church School training days were held in many places. Many volunteers assisted in this work.

An additional Junior Camp was set up at Magruder giving us eight Junior camps for youngsters who have completed the 4th, 5th and 6th grades. It will be given again this year. There were 624 Junior campers.

The Conference Children's Committee, composed of trained volunteers from sub districts throughout the Conference, assists with many planning sessions with teachers in local Churches who need help in their particular departments. These leaders have given much time and effort to this work and are to be commended.

We held a few Observation type demonstrations in some churches and we hope and plan to do more of this in the coming year. Actually seeing children taught by a skilled teacher in a session similar to a one hour Church School on Sunday is most helpful to teachers. It is helpful to many teachers who cannot attend Lab. School.

Our Junior Camps this year are going to be studying HOW TO LIVE AND WORK TOGETHER AS CHRISTIANS in their week at camp. We will use the SHARE THE SURPLUS program as our sharing project for others. There will be four camps at Magruder, two at Suttle Lake and two at Dead Indian Soda Springs.

As Director of Children's Work I have tried to serve local Churches by helping the teachers to know about the curriculum and to learn how to use it. I have visited many local Churches this year and have been most cordially received. We need to spend time assisting teachers and workers in local Churches in every way possible. It is my hope to continue this work and to serve these teachers in every way that I can. I am sure the year ahead will be one of learning for all of us; learning about God, Jesus, the Church, the Bible, and Missions. They are the Goals of Christian Education and contain all the projects our great Methodist Church is interested in and guides us as we build a faith to live by.

THE REPORT OF
THE OREGON CONFERENCE YOUTH PROGRAM

The year began with Sub-district and Conference Officers Workshop at Camp Magruder where plans were laid for the entire year. A real effort was made to correlate the youth program with the programs of the Conference Boards. Summer camps for high school and older youth saw 482 of our young people attending or counseling. There were 320 junior high campers. "President's Palaver" at Trinity Methodist Church in Eugene, had one of the largest attendances in its history. One of the most important events of the year was "Conclave." The registration ran over 1100 making it the largest single gathering of Methodist youth in the history of the Oregon Conference as far as we know. Rev. Robert Uphoff of Olympia, Washington, was the speaker. Another highlight of "Conclave" was a dramatic presentation, "Lord, Teach Us To Pray," presented by the Conference Youth Officers. Other youth activities for the year included the Fall Action Project on United Nations, sub-district workshops, Christian wit-

Workshop. Guiding and directing this great camping program there were, 64 Junior Camp Counselors (Youth and Adults); 50 Junior High Counselors; and 58 Senior High Counselors plus 9 other counselors at our Conference Youth Workshop. This is a grand total of 1315 children and youth reached for Christ and His Church and given guidance and leadership by a total of 281 Youth and Adult Counselors. There were also Young Adult Camps, Family Camps, and Golden Age Camps, plus the various other week and weekend camps by smaller church or sub-district groups. Total Campers for all groups during the summer 1584; total counselors for all groups during the summer, 313. We can point with pride to our Oregon Conference Camp Program.

As a part of the expansion in our Camping Program this past year, we hired life-guards and nurses for each of the Camps, who remained at each camp for the duration of the summer program.

Other recommendations included that we emphasize a Camp Sunday sometime during the Conference year to promote our Summer Camping Activities. A special offering could be taken on this Sunday for use in the operational program of the Camps.

It has been further recommended that a Conference Camp Reserve Capitol and Operational Fund be established to be dispersed by action of the Camp Commission to all three camps as the needs arise, to care for indebtedness. This fund is to be financed by a certain amount that would be assessed from every registration fee paid to camps. This fund could then, perhaps be placed in an account that would draw interest each year.

In the interest of greater participation by the churches of our Conference it has been passed that the rule limiting only 20 registrations per camp from one church be rescinded. Also it is now a policy that all high school students serving in Junior camps as counselors must have completed their Junior year in school.

The Camp Commission has asked, through the Board of Education, the World Service and Finance Commission to allow the Idaho Methodist Conference and the ministers of Eastern Oregon to conduct a "quiet hunt" for funds to improve facilities at the Wallowa Lake Methodist Camp.

There have been many improvements of facilities and program at each of the Oregon Camps: DEAD INDIAN SODA SPRINGS: The Shower House has been completed and the new dining hall is under construction under the supervision of Mr. Doyle Green. The forest service crews are now improving the road leading into the campsite which will make the trip to Dead Indian an easier journey.

The Dead Indian Camp Sites Committee is also discussing the possibility of hiring a full time Camp Manager. Mr. Lyle Beany is now acting as part-time Camp Caretaker. The Conference M.Y.F.'S are now contributing to the construction of a fireplace at this camp to be built in the new lodge. An authentic history of Dead Indian Soda Springs has been written. SUTTLE LAKE: Electric heat and service have been added to the Lodge to supplement the heating during the Fall and Winter months. Several large electric heaters have been purchased. In order to overcome the communication problem at Suttle Lake with the outside communities, telephone service is being sought and steps are being made to complete this service. CAMP MAGRUDER: A new parking area has been completed behind Carrier Lodge. A more adequate fire protection system has been installed with the completition of fire escapes from some of the two story buildings in the camp. A new kitchen has been completed in Smith House and is now in use. This Committee has just authorized the purchase of three new boats. Plans and work are being made toward the new Pearl Sherlock Memorial Building. This committee is urging that small work parties be asked to finish some of the smaller projects in and around the camp.

Each year the Conference Camping Program has grown in numbers, direction and dimension. Many people of our Conference have given their best leadership ability to see that the camping program is the very best. As Chairman of the Camp Commission I want to thank everyone who has had any connection with this program. Your diligence and your faith have made it possible to reach hundreds of our children and youth and adults for Christ and His great Church.

Respectfully submitted, Richard E. Bruner, Chairman involve a family life conference on each District, that the impact of the National Conference might be brought back to the local churches.

It is also recommended that we go on record as cooperating with the National Conference on Family Life to be held at Eugene in August of this year, under the sponsorship of the National Council on Family Relations.

Growing out of the experience of the Institute held at Salem, there is a recommendation that there be attempted a program of leadership training in this field under the direction of Dr. David Brodie. It was recommended that this sort of program be undertaken for the various Districts if it seems feasible, and that the first such leadership training program be suggested as being held on the Salem District.

There has been a feeling that numbers of families would like to join in a program of camping on specified and planned week-ends at certain of the forest camps within the state. It was referred to the Conference Camping Commission to compile a list of available forest camps to see what might be done in this new type of camping venture.

Respectfully submitted,
Harry Monroe,
Family Life Committee Secretary

THE REPORT OF THE ADULT DIVISION OF BOARD OF EDUCATION

The District Secretaries held an indoctrination conference with Rev. Robert Clemons of the National Board in February to get information and guidance. They met subsequently and decided to try to develop interest and efficiency in Conference Adult work in the following ways:

1. Each district secretary will take immediate steps toward becoming certified in Adult Teaching by the Nashville office.
2. The District secretaries will volunteer their services to the District Superintendents in any way they can be useful in the churches of the District.
3. The District secretaries will secure literature on Adult Work opportunities and development and will mail it to Pastors and Adult workers through the regular channels of our Conference Board of Education.
4. The District secretaries will participate in Training Conferences, Coaching Conferences, or Churchmanship clinics which might be held across the Oregon Conference.

Chairman: Robert Lewis Benefiel
Secretary: William P. Ginter

THE REPORT OF THE METHODIST SPORTS COMMITTEE

The Methodist sports committee is making softball available for intermediates and seniors as far south as a line through Stayton and Independence this summer. It plans to offer basketball and volleyball for intermediates, seniors and, if interest warrants, older youth, in the area covered by softball in the summer of 1958. For the spring and summer of 1959, the committee plans to organize softball in the area from the Columbia river to Eugene from the Cascade mountains to the coast range and, if possible, on the coast, too.

The committee makes no request for conference funds. It will continue to raise the needed money by showings of "Youth at the Crossroads" before Methodist Men's groups, official boards and commissions on education. The film story also will be shown to promote participation.

The committee will continue to hold meetings of adult leaders before each season and impress upon them their opportunities and responsibilities in using the sports program as a tool for increasing the scope of the church program as well as showing them the best ways to teach the sports and handle their teams.

The committee repeatedly impresses upon adult leaders that the only purpose of the program is to strengthen the youth program by attracting new youth, deepening the interest of youth already affiliated with the church, stopping the erosion of youth from the church and providing a laboratory experience for putting Sunday lessons into practice.

ness missions, a race relations study, a study of the Japanese mission program, a speech contest with the theme, "Here am I, Send Me," (Conference winner, Gorgia Ferguson, 2nd, Letha Lierman, and 3rd, Beverly Bowers.) the Lenten reading project on John Wesley, Interdenominational Camp with youth from many different denominations, and two Christian Vocations Fellowship retreats at Camp Magruder.

Leadership training for Adult Workers with Youth was provided through Laboratory Training School, 28 different coaching conferences, a special seminar for intermediate counselors and teachers taught by Miss Aileen Sanborn of Nashville, Tennessee, and through help given directly to local churches.

Next year much of the above program will be continued. Laboratory Training School, which is scheduled for June 22-27, is one of the finest opportunities for adult training. An attempt will be made to greatly strengthen and undergird our present sub-district organization and its effectiveness in the youth program. More help will be provided for conducting accredited leadership schools for youth workers in local churches or small geographical areas. A week-end conference will be held in the fall to inspire and inform youth workers. For the youth, four District Conferences will be held. We would like to request these dates. On the Forest Grove District, February 21; the Salem District, February 28; the Eugene District, March 7; and the Portland District on March 14.

It would be impossible to thank all those who have helped in our youth program this year, but special recognition should go to Conference Youth President, Norissa Leger whose leadership has been outstanding in every way. She has been an inspiration to youth and adults alike. All of the youth officers are to be congratulated on a fine job. Mrs. Irene Bond and the Rev. Richard Bruner have served as Conference Volunteer Intermediate Worker and Volunteer Youth Worker, respectively, and their council and aid has been invaluable. A sincere thanks should be given to all Sub-district Counselors and their Councils. Mrs. Margaret Vandewater, Camp Secretary and Secretary to the Conference Staff, has contributed vitally to the success of the entire youth program.

REPORT OF FAMILY LIFE COMMITTEE OF THE OREGON CONFERENCE

During the Conference year 1957-58 the Family Life Committee of the Oregon Conference has had a number of worthy projects. The first major project for the year was the week for Family Camps held at Magruder and Dead Indian Soda Springs. The second major undertaking was a Family Life Institute held at Salem in November. This was the first of its kind to be held in our Conference. Dr. Staples of Nashville assisted in planning and actively participated in the program of the Institute. There were 58 in attendance.

The Institute held at Salem stimulated an interest in the National Family Life Conference which is to be held in Chicago in October of this year. There will appear an item in the report of the Finance askings for next year to assist in sending a minimum of four couples from the Oregon Conference. Applications for attendance at this Conference will be acted upon by the Family Life Committee. It is hoped that the various Districts will propose representatives who may share in the Chicago Conference.

In connection with the National Family Life Conference, there was proposed the possibility of tying with it a United Nations Seminar by those coming from this area. The recommendation was made that the Committee on Family Life go on record as cooperating with his proposal if it could be worked out.

Plans were formulated for a family life camping season for the summer of 1958, with a continuance of the family camps held last summer. Added to this has been the plan to cooperate with the Idaho Conference in holding a Family Camp at Wallowa Lake.

Recommendations for the year ahead involve promotion for attendance at the National Family Life Conference. A follow-up program has been suggested for November, that each District might have some plan to that end. This would both of which have been aired frequently in this conference. There is a new series now in production called "Talk Back." This will combine a 15-minute dramatic film with a local panel. This will be aired in one pilot area in the conference next October. To prepare for this, four persons went from this conference to a Jurisdictional Training Conference in San Francisco. These three series and the projected Children's Series are all paid for out of the Methodist Television Ministry Fund. This Fund is a World Service Special. Our conference should be giving $5000 a year if it were carrying its share. So far, we have given less than $500 in three years. Therefore, the conference TRAFCO recommends that our conference accept at least $2500 this next conference year as a World Service Special for the Television Ministry Fund to be raised as a conference benevolence by apportionment on the grade figure. This is only one half of the amount we should give next year on the basis of ten cents per member per year.

O. Maxwell Graham, Chairman

REPORT AND RECOMMENDATION OF THE STUDY SECTION ON EDUCATION

A. "Together" Magazine

WHEREAS: *Together,* now in its second year as a truly different and outstanding church magazine, attaining levels of content, beauty, and craftsmanship never before equalled in a church paper, and

WHEREAS: *Together* has been publishing in its own fine way materials which are helpful to the deepening and strengthening of Christian life and the building of appreciation for the Church, thereby contributing to the enrichment of family life and the effectiveness of church life of our people who have put this paper in their homes, and

WHEREAS: real growth in the All Family Plan within the boundaries of our Annual Conference has been experienced during this year, a 15 per cent gain over the preceding year, with 106 of our churches as All Family Churches, proving that *Together* can be successfully circulated on the All Family Plan, therefore,

BE IT RESOLVED that we go on record collectively as pledging continued good effort this year to circulate *Together* on the All Family Plan in every charge in this Conference, and

BE IT FURTHER RESOLVED that the pastors of charges in which the All Family Plan prevails and the District Supertendents pledge counsel or helpful services to their fellow ministers in whose churches the All Family Plan is yet to be achieved, to the end that such cooperation will help to put *Together* with its Christian message into new thousands of our Oregon Conference church homes.

B. Worship and Fine Arts

The study commission recommends that the Conference create a Committee on Worship and the Fine Arts and that the nominating committee be instructed to nominate personnel.

C. Television Specials

The study commission recommends that the local churches be urged to accept Television Ministry Fund World Service Specials.

D. "Together" Circulation

The study commission recommends that the Oregon Conference send an urgent appeal to Together magazine asking that they quickly overcome their circulation problems, pointing out that the All-Family Plan is greatly hampered until this can be accomplished.

B. MEMBERSHIP AND EVANGELISM

REPORT OF THE SECRETARY OF EVANGELISM

Planning the program for evangelism of the 1957-58 Conference year began quite early—started in fact with the "Three Great Days" early in 1957. The members of the Board and the Secretaries felt that one way to gain a better program would be to first secure a cross section of conference opinion. During those three days a large number of people spoke before the group. Bishop

REPORT OF THE BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS

This Board reports annually to the Ministerial Executive Session after personal interviews which immediately precede the meeting of the Annual Conference. Only a general indication of our activities can be given, therefore, in this pre-Conference Report.

The Board held its mid-year meeting on January 22, 1958. A few personnel interviews were held, and common matters of concern were discussed with the Superintendents. The Board was able to decrease slightly its asking for the 1958-59 budget. Special committees on psychological testing and vocational recruitment were authorized. No significant changes in policy are under consideration at this time.

All ministers are reminded of Conference rule 7.025 and are urged to attend the Pastors' School at the College of Puget Sound, Tacoma, Washington this summer.

Raymond E. Balcomb

THE REPORT OF THE THE TELEVISION, RADIO AND FILM COMMISSION
1957-58

We recommend the following program in the field of Television Ministry for the ensuing year:

1. The services of Little Theatre and similar groups be utilized for religious drama.
2. That the services of ministers and laymen be utilized for teyevision sermons religious panel discussions, and allied subjects.
3. That the post of a television director for the Oregon Conference be created.

The Television, Radio and Film Commission has been fully organized this past year and the work has been divided between two committees. The first is the Audio-Visual Committee which is an expansion of the old committee that administered the Audio-Visual Cooperative Fellowship. The second is the Broadcast committee which will function in the area of radio and television and public relations.

The Audio-visual Librarian reports that there are 373 titles in the library now as compared with 263 titles a year ago. Circulation in 1957-58 was 2,706 as compared with 2,159 in 1956-1957. A new supplement to the catalog is being prepared for distribution soon. We are beginning to circulate 16mm films as they become available. We are doing this through Ideal Pictures since we have no facilities for storing, repairing, inspecting and mailing these films. A two-dollar service charge is made for each item borrowed. All agencies of the conference are urged to either deposit their audio-visual materials in the library for circulation or notify the librarian so that listings may be included in the catalog. We are thus trying to increase the use of the various audio-visuals scattered throughout the conference.

During the past year, the library has provided audio-visuals for numerous conference district, sub-district meetings and camps without charge. At the time of the orientation for new ministers, the chairman and librarian provided previews of the two new missionary films and many of the slides and filmstrips in the library.

During the summer, the committee hopes to send one person to a two-week workshop to be trained as an audio-visual coordinator for the conference. This coordinator would provide leadership in integrating audio visual training in leadership training programs throughout the conference. This is the first step in the development of a training program in the use of Audio-Visuals.

In the area of radio and television, a survey of the conference is being completed to discover how much broadcasting is now on the air and what kind it is. It is hoped that in the future, more churches and ministers will use this mass comunication media.

In addition to local programming, the Methodist Church, through its Television Ministry Fund produces and circulates "The Pastor" and "The Way," Conference year, as printed on pages 16 and 17 of the above mentioned booklet, as the official program for this conference.

Two major points of emphasis are indicated: First, stress on greater expansion of the church; and second, Christian concern on the part of the individual. These two points follow quite naturally the program of the year just concluded, which stressed greater effectiveness on the part of the local church and its organizations and Christian concern of the individual.

On page 15, under the sub-title for implementation, the provision is made that each Bishop "take leadership in his own area in promoting these annual objectives, adapting them and supplementing them as he and those who labor with him may see fit."

Outline of the suggested emphasis for the coming conference year across Methodism follows:

THE EMPHASIS UPON DEVELOPMENT OF THE LOCAL CHURCH

A year stressing greater expansion (March 1958 to March, 1959)

1. New church schools
2. Reaching Persons
   - New churches in suburban and new industrial areas
   - Second churches in many towns
   - Assistance to churches in deteriorating areas
   - Missions in neglected city and rural areas
   - Reopening abandoned churches
3. Experiments in inter-racial co-operation
4. Better facilities for churches and church schools
5. New churches on the mission field
6. Establishment of institutions of Christian service such as hospitals and homes

EMPHASIS UPON DEVELOPMENT OF THE INDIVIDUAL

Christian Concern:

For witnessing for Christ and His cause
For helping one's church to reach its whole community
For helping one's church to reach all unreached people everywhere and to share fully in the Christian world mission
(During Lent—Christian Concern for "Christ and Our Mission.")

In harmony with the provision that the program be implemented in each Annual Conference, your Board of Evangelism voted to submit these goals for the favorable consideration of the Annual Conference and its Study Section on Evangelism:

GOALS FOR 1958-59

1. Organize functioning district committees on evangelism to assist local churches to carry out an evangelism program, each committee consisting of the following:

District Superintendent
District Secretary of Evangelism (Chairman)
Layman (Appointed to be vice-chairman)
District Secretary Spiritual Life, Woman's Society of Christian Service
Members Conference Board of Evangelism
Three Pastors
Three Men
Three Youth Members
Three Women

Each one of these to have a special assignment relative to the development of the program of Evangelism in each local church . . . vice-chariman will be related to the promotion of Fishermen's Clubs, other members to be related, such as, finding prospects, cultivation, assimilation, prayer and devotion, Christian witness mission, membership and evangelism program, etc.

The district committee will meet quarterly and each member of the committee will keep communications with churches within the district.

There shall be a district committee "Newsletter" which will go to each member of the local Commission on Membership and Evangelism.

2. Recruit and train adequate lay visitors in each church for a year-round program of evangelism. The suggested PROGRAM for promoting this phase to include—

Grant, District Superintendents, ministers and laymen . . . each giving opinions, criticisms and suggestions.

With this background the Board and the Secretaries were guided in the program which finally came from this meeting.

At the Annual Conference in Corvallis this was presented to the study group on Evangelism and more corrections were made. It was then presented to and adopted by the action of the Conference.

The program began with a workshop in each district on September 9, 10, 11, and 12.—Eugene District was held at Roseburg; Salem District at Corvallis, Portland District at Montavilla; and Forest Grove District at Oregon City.

Leadership for these workshops was chosen on the basis of what we expected these sessions to accomplish:

1. To give ministers and laymen a theological basis for evangelism. Dr. Samuel Laeuchli of Garrett was chosen speaker for this section.
2. To inspire ministers to a greater concern of preaching as evangelism. Dr. Ron Meredith, First Church, Wichita, Kansas was chosen for this section.
3. To give ministers and laymen some concrete means by which they could put their church to work in the field of evangelism.
   Dr.James Chubb was chosen for this section—(however, he was called away and John Soltman finished for him).

The rest of September was to be a time of planning. September 21 was set aside as a Conference wide 24 hour Prayer Vigil.

September 22-26 was the time when we were to visit those of our present membership, to try and renew their interest, secure their support and enlist their help. World Wide Communion Sunday was the day when all members would come to renew their vows and rededicate themselves to Christ and His Church.

October 7-11 was the first exchange of pastors. Ministers from the Eugene and Salem Districts came to the Portland and Forest Grove Districts to assist pastors there in a program of evangelism.

On October 21-25 Portland and Forest Grove District pastors were assigned to churches in the Salem and Eugene Districts to assist the pastors there.

While this system has its faults it also has great merits. Time and again we found that wonderful results occured when churches and pastors had planned and were ready for the program. Its failures occured where there was no planning and no enthusiasm.

The Spring Program was entitled "Tell America About Christ." January to Easter church attendance program was part of this.

March 2-9 was the National WEEK of Evangelism. It was suggested that each church follow some form of visitation evangelism.—"Four Nights for God," "One Great Day," "Two by Two," or a similar type of visitation.

Many churches have done wonderful things in the field of Evangelism this year. We feel certain that when the final results are in, this will be an outstanding year—not alone in numbers but in basic concepts as well.

Respectfully submitted,
James E. Shapland,
Conference Evangelism Secretary

THE REPORT OF THE BOARD OF EVANGELISM

For 1958-59 Conference Year

A 28 page booklet entitled "Toward a More Effective Church" outlines the Quadrennial Emphasis on the Local Church for the 1956-60 Quadrennium. It has been published by the Interboard Commission of the Local Church comprised of representatives from the Secretarial Council, the General Board of Education, the General Board of Evangelism, the General Board of Lay Activities and the Joint section on education and cultivation of the General Board of Missions.

Our own area leader, Bishop A. Raymond Grant, is listed on page three as a member of the committee of six serving as the planning committee for this emphasis.

Your Conference Board of Evanelism recommends to the 1958 session of the Oregon Annual Conference, adoption of the suggested program for the 1958-59 was the second such conclave and is established firmly as an annual event for the week-end following Labor Day at Willamette. We are grateful to President Smith and his staff for making this event possible on the campus. Work-shop speakers were Dr. Jim Chubb of Grand Island, Nebraska, and our own Bishop A. Raymond Grant. Plans are well advanced for the 1958 Assembly, with Dr. R. Marvin Stuart, dynamic pastor of First Methodist Church, Palo Alto, California engaged to be inspirational speaker.

Eleven men attended the National Conference of Methodist Men last July at Purdue University, Lafayette, Indiana, and enjoyed an unforgettable experience. Men travelled by plane, station wagon, car and rail. I am extremely impressed with the willingness of our men to travel so far to share this fellowship with thousands of Methodist Men from all parts of the U. S.

Lay Speaking:

Lay Speaking training series were held in two of our Districts this past year. Men responded well to this offer of speech training and our program will be expanded and implemented further during the coming year. It will be of interest to know that Dr. Laurence E. Nye has prepared a course for Lay Speaking training which will be published by the General Board of Lay Activities as part of its materials in this field nationally.

Stewardship — Every Member Canvass:

Through the combined efforts of our standing committee on Stewardship and Every Member Canvass numerous presentations were made this past year in instruction and guidance in programs of EMC. District and sub-district training workshops were planned and conducted. Both the EMC and Loyalty Dinner plans were presented,, with primary emphasis being placed upon having all churches hold some kind of organized effort, irrespective of the method employed. Special mention should be made of the contributions of the Conference Treasurer, Howard Berger; Rev. Ernest Wilson, who attended the National Council's training program; Rev. James Thompson, who presented so well the Loyalty Dinner plan in workshops; and W. W. Conger, who served as Chairman of our standing committee.

It is recommended that the next Conference year be designated as a Stewardship Possessions Emphasis year. Although the Discipline does not provide for ministerial members of the Board of Lay Activities, other than the Superintendents, it is requested that one minister from each District be assigned as ex-officio members during the year 1958-59 to be made a part of the standing committee on Stewardship and EMC.

The Board recommends that February 1959 be the month of emphasis in the local church with three phases of emphasis, including Stewardship sermons on four Sundays, Congregational reading of selected literature, and development of a congregational meeting dramatizing stewardship if possible. During October, 1958, a series of training sessions will be held on a District, and/or sub-district level, with General Board personnel available for leadership. This assistance is already promised. As this report is prepared 2½ months before Conference, more detail will be available at the time this report is presented in Conference.

Laymen's Days

Reports indicate that Laymen's Day was held in more than 90% of our churches during October of 1957. Some churches varied from the scheduled date due to local conflicts, but excellent reports have been received of the observeance of this significant day. Regrettably, some churches persist in non-observance, although in so-doing deprive laymen of a valuable opportunity to be a part of an expression of real Christian witness on this one day of the year. We continue to urge that Laymen's Day be observed and that churches use their own laymen in presenting the worship program rather than men from outside, where practicable.

Futures Unlimited:

The General Board has adopted recruitment of young men to enter the pastoral ministry as a national project of laymen in the church. It is hoped that suitable plans for a really coordinated effort can soon be developed, including definite plans for providing students financial assistance.

It continues to be a challenging privilege to serve as Conference Lay Leader. It has been thrilling to see the development of more and more men active in each of the districts. Credit for this goes to many people, but stems from the resourcefulness and leadership of our dedicated District Lay Leaders and District Super-

A. Cooperate in a fall inter-board training school or hold sub-district training schools for members of the local church commissions on Membership and Evangelism and Fishermen Club members.

B. Organize a Fisherman's Club or similar witnessing group in each local church.

C. Conduct an exchange of witnessing teams between neighboring churches in the fall, where there is need as determined by the District Committee on Evangelism, to be arranged by the local pastors involved, with the assistance of the District Superintendent, and the District Committee on Evangelism. (It is recommended that this be part of a Four Nights for God Spiritual Life Mission, or One Great Day of Witnessing Program). It is recommended to the Churches to experiment with and paticipate in a serious attempt to reach the many groups of people who are totally unrelated to the Church.

3. Implement the 1959 "Christ and Our Mission" emphasis of the Quadrennial Program on the local Church. Theme: "You shall be my witness . . . to the end of the earth." Acts 1:8. Fresh measures are to be devised and employed designed to nurture in every local church a more vital appreciation of the duty and privilege of witnessing for Christ and his cause.
   A. Select and train in January leaders for local spiritual life retreats.
   B. A Spiritual Life Retreat upon the Lenten theme, "Christ and Our Mission," to be held in each local church between February 11 (Ash Wednesday) and March 29 (Easter).
      a. Bible study courses, conducted by Pastors.
      b. Create Church-wide Prayer Groups.
      c. Personal evangelism program: Studies on Jesus' techniques and his personal works; discovering "What I Can Do;" making a personal responsibility list of those I will try to bring to Christ; laymen minute speakers witnessing Sundays from the pulpit, with remarks centered on local needs in the field of evangelism and church extension.
   C. "Week of Evangelism" program of lay witnessing in each local church in March or during early April, using an Easter registration of attendance for prospects.
   D. Organize a "Reach The People" program through pesonal, team, newspapers, and other forms of evangelism and the publication of christian attitudes to create a climate for the acceptance of the christian message.

4. Quarterly report on progress of evangelism in the local church, (see page 10 in booklet "Guide for the District Committee on Evangelism" by Berlyn V. Farris), is to be mailed to the District Superintendents.

THE REPORT OF THE BOARD OF LAY ACTIVITIES

Methodist Men's Clubs:

The total number of chartered clubs increased by six during the Conference year, with our total for the entire Conference at about the 80 level. Many of these clubs are far from fully active, and have problems relating to their organization and projects. Every group of five or six Methodist Men Clubs have assigned to them one of our Associate District Lay Leaders to give help and counsel in any way possible. It is the purpose of these men to visit all of their clubs each year at least once.

In order to improve our ability to train club leaders it is felt that all clubs should elect officers at the same time of year. Consequently we recommend that Methodist Men adopt the Conference year as the term of office for officers of clubs. Elections should thus be held in the month of May. Having uniform dates will make it possible to hold training sessions for new club leaders at the same time for all groups in the Conference. This should improve our effectiveness as a whole.

Methodist Men's Assembly:

Our Oregon Conference Assembly, under the leadership of Dr. Robert F. Anderson, of Salem, was held at Willamette University in September of 1957. This

The Bishop's *Call to Outreach* has been one of the heartening demonstrations that Oregon Methodism is ready to move forward. In five different centers of Oregon large banquet groups responded enthusiastically to the challenges brought by Bishop Grant and the Rev. Fred McGinnis of Alaska.

Church Building. New churches, additions to churches, remodeling and new parsonages are being built in a majority of our parishes. In recent years most Methodist churches of Oregon have made major improvements in church building.

Benevolences and Conference Budget. Our benevolence program in recent years has increased rapidly. During the current year our benevolence program has been at a stand still. Some of our financial problems have resulted from the economic recession but a major part of our trouble is purely psychological. Recently in a quarterly conference in an Oregon church the members agreed that their finances were in a critical condition. Later the Lay Leader stated that he could not understand their plight as their church was small enough that he knew most of the members and that all were employed and receiving the same or larger income than a year ago. The recession in all too many cases is an excuse rather than a reason for our financial problems.

The question is often asked, should our Conference budget go up? The answer is, not much until we have an aggressive program of Christian stewardship of possessions. When Oregon Methodists are really challenged to be good stewards of their possessions our Conference askings can be greatly increased even with present economic conditions.

Evangelism. Truly the fields of Oregon are white unto the harvest but Oregon Methodists are still discussing and arguing about how to make the harvest. A few churches are doing an outstanding job in the field of evangelism. Others are standing on the sidelines watching a generation pass by their churches because they lack faith that they can be won and have their lives transformed. Oregon Methodism is growing in its evangelistic zeal and as we grow in faith and a knowledge and ability to win people to Christ we will grow in numerical strength.

Church Extension. Perhaps the most significant work in our Conference in recent years has been church extension. Our new congregations are among the most rapid in growth. The long established churches which have had building expansion programs or new buildings are also leading out in front.

The money invested in church extension in Oregon is a good financial investment. The increased benevolent giving from churches which have had financial assistance means high dividends on the investment. However, may we hasten to say the dividends which are of real importance are spiritual values in the lives of our people. While these dividends are not as tangible they are abundant in most all situations where church extension funds are invested.

Church extension and evangelism are the most vital phases of our total church program. Funds for church extension must continue to come from four major sources: (1) the local parish, (2) district church extension societies, (3) conference church extension, and (4) the Board of National Missions. To attempt to consolidate giving through any one of these agencies will hurt the cause of church extension.

Minimum Salary. The quality of our pastoral ministry is greatly improved by our minimum salary. Providing a basic minimum salary is not only the Christian thing to do, it has proven to be wise strategy. The fact that we have a workable minimum salary plan has made it possible to bring many fine young men from the seminaries which year by year improves the quality of pastoral leadership in the Conference.

Social and Economic Relations. We commend the churches which have an active commission in this field. We urge all others to work toward an active program of social concerns. There is limited value in evangelizing people unless we win them to the cause of extending the Kingdom into the social and economic relations of our world. Methodism from its birth has had a deep social passion which cannot be divorced from the total gospel of Christ.

Christian Education. There has never been a period when more children and youth were available for Christian training. We commend the promotional work intendents. We must set ever higher goals for ourselves if we are to reach out and expand the working force of laymen that labor for Christ in Oregon.

Respectfully submitted,
Howard B. Somers,
Conference Lay Leader

THE DISTRICT SUPERINTENDENTS REPORT TO THE OREGON CONFERENCE

Bishop Grant and Members of the Oregon Conference:

The Oregon Conference is experiencing one of its greatest periods of change, expansion and growth. We are in a period of becoming; our Conference can well become a smooth, effective instrument for the advancement of God's Kingdom or it can become lethargic and impotent even in the face of great opportunity and challenge. We now are only the beginning of what we can and should become as an instrument for the transforming of human society.

Oregon Methodism must move forward now while we have unlimited opportunity. If we delay and wait for the time when there are no baffling problems we will have waited until it is too late to regain lost opportunities. To do the job God has given us to do will require daring and adventure. There are no safe roads to the Kingdom which are free from heart ache and sacrifice. We must move forward with a fearless determination or we will lose faith in our ability to be effective channels through which God can lead our confused and power crazed world. We must grow in our faith that the greatest force in the world is love rather than the atom. We must exemplify the fact that abundance of life is found in spiritual security rather than in physical power, and in the will of God rather than in the desires of man.

Our Conference has a challenge today such as it has never had and such as it may never have again. In view of our unlimited opportunities your Superintendents suggest the following as some of the steps which we should take and point out some of the advances which we are making.

1. Ministers and laymen alike need to rethink our objectives. We need a new and more compelling sense of mission. We have an inadequate faith that God is calling us as a church to be a channel through which He can reveal to a blinded world that the gospel of Jesus Christ is the road to peace and security rather than the gospel of the satellite and guided missile. Until we radiate the unadulterated gospel of Christ's love and concern for the world, even to the point of being willing to face ridicule and suffering, we will continue to face financial deficits and small numerical growth. Too often we have exemplified a form of Godliness and denied the power therein.

2. Once we have really regained the objective of a world transformed by the will of God working in and through us, we need to start with ourselves. We must give more concern to the spiritual growth of ourselves and our fellow members. We must grow in spiritual power before we can grow in numerical power. That spiritual power must be exemplified in something more transforming than more prayer meeting and spirited singing. It must be a facing of the pagan influences of our day with demonstrations of God's power through spirit-filled lives. We need to have our own lives free from lust, greed, hates, prejudices and fears before we can lead men to choose the gospel of love instead of guided missiles. We ourselves must find and exemplify the secret of inner peace and calm before we can lead men and women to substitute faith for tranquilizers or cocktails for inner satisfaction.

3. Oregon Methodism needs to unite in counting the cost of Christian discipleship. It has been said that about the cheapest place to be a Christian is in the Methodist church. A cheap price inevitably means a shoddy product. The Budget of the Oregon Conference is not too high even for recession times. We often fail to put first things first. Our goals are too low; our faith too weak. Our sense of mission is sluggish. The cost of true discipleship is high and those who pay it are richly rewarded.

Having faced the fact that we have far to go, let us look at some of the steps we are taking which should give us cheer.

THE REPORT OF THE CONFERENCE TRUSTEES

March 28, 1958

OREGON ANNUAL CONFERENCE
PORTLAND, OREGON

Gentlemen:

The Board of Trustees submitted the following report:

Title to various properties belonging to the Conference is vested in the corporation and held by the corporation, subject to the direction of the corporate session of the Annual Conference.

The Conference is the owner of the real property on which Camp Magruder is located, and all of the furnishings and equipment located on said property.

The Conference is also the owner of leasehold of our Suttle Lake Camp and of our camp located at Dead Indian Springs, and all of the equipment located and used in connection with the operation of these camps.

We hold title to the mortgage and securities securing the $12,000.00 left to Camp Magruder under the terms and conditions as set out in the Last Will and Testament of Dr. Magruder.

We closed the sale of the property at Dilley, Oregon, and the funds have been paid over to our Conference Treasurer, in accordance with the action of the last Annual Conference.

The old church at Hammond, Oregon, has been offered for sale, but no reasonable offer has been received. Every reasonable effort has been made to dispose of the same.

After many months of negotiation, the Bethany Church was leased to the group who was contesting ownership of the same for the sum of $160.00, which has been paid in cash with the agreement that as soon as the corporate session gives consideration to the future of the church, we will negotiate further with them.

An investigation as to the advisability of purchasing the old Hoyt Street Church and developing it into a Conference headquarters has been made with the idea of using the Carrier Estate funds to purchase the same, with the following results: (1) The buildings do not appear to be suitable; (2) under the Carrier will, the funds cannot be used for that purpose; and (3) The Rockwood Church, being the owners of the property, have entered into a lease, leasing the property, and it is not now available.

The necessary reports to the Corporation Commissioner of the State of Oregon have been made.

Very truly yours,
F. M. Phelps, Chairman
Board of Trustees

of Christian education through the Coordinating Council Staff and the work of our local churches in making the program effective.

Special attention should be called to our quadrennial emphasis on higher education. The Conference Commission on Higher Education is leading the way in the total program. Each local church should work toward the day when its contribution to Willamette University reaches the minimum of one dollar per year per member.

The high birth rate of recent years is presenting our youth department with its greatest challenge in years. Our Methodist Youth are moving forward in a fine way. Oft times our youth are more ready than adults to apply the unadulterated gospel of Christ to contemporary society.

Board of Lay Activities. We commend the Conference Board of Lay Activities for their work and plans for the promotion of Christian stewardship. An adequate program of stewardship education and promotion is essential if our all important work of evangelism and church extension is to succeed.

The *Woman's Society of Christian Service* has reached new heights of achievement in three of its goals:

The new Manley wing on the Methodist Home in Salem became a reality and occupancy began in April.

Workshops in the art of better programs were held throughout the conference giving local officers actual practice in group work.

The Conference pledge proposed is an increase of $1700 to meet greater needs in mission work.

Your Superintendents take this opportunity to express appreciation to Bishop Grant for his tireless efforts, his kindly spirit, and his constant concern for the Kingdom through the Methodist Church. We express our appreciation to the pastors and laymen of the Conference who work together as one great team to make our churches channels through which God's plan and will may be expressed and done.

We are closing a good year. May we continue to grow in our effectiveness each succeeding year.

AUDITOR'S REPORT

Oregon Annual Conference
The Methodist Church
Portland, Oregon

July 7, 1958

Dear Sirs:

We have audited the books and records of your Conference Treasurer, Mr. Howard Berger, and those kept by E. C. Klindworth for the Oregon Methodist Ministers' Retirement Fund for the fiscal year ended June 30, 1957 and April 30, 1957 respectively. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such test of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In our opinion the reports of Mr. Howard Berger and Mr. E. C. Klindworth properly show your operations (on a cash basis) for the fiscal year and your cash and security positions .

We have also examined the records kept for the following funds, finding them properly kept and in good order:

Portland District Promotion Fund
Salem District Promotion Fund
Second Mile Club
Helen Kelly Manley Fund and Carrier Trust
Conference Secretary
Committee on World Service and Finance
Board of Trustees
Oregon Conference Board of Education

THE REPORT OF THE COMMISSION ON WORLD SERVICE AND FINANCE

Your Commission on World Service and Finance submits the following report to the Oregon Annual Conference, June 1958.

General Information

1. The report of the Commission as approved by the vote of the Annual Conference shall be printed in the Conference Journal.
2. All Annual Conference Funds shall be deposited in banks or financial institutions which are insured by either the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation.
3. As the 1956 *Discipline* (Paragraph 729) requires, Richard C. Kneeland, Certified Public Accountant, Public Service Building, Portland 4, Oregon, is designated as the Conference Auditor. (Conference Rule 4.055)

5. All Conference Budget items shall be apportioned to the pastoral charges solely on the "grade figure."
6. The Conference Treasurer may disburse each month to the various boards and agencies 1/12 of their respective Conference Funds; the Wesley Foundations approved by the Conference; the Conference Administration Fund. This authorization applies *only* to the first ten months of the Conference fiscal year.
7. We urge that all funds on apportionment, including benevolences, be remitted to the Annual Conference Treasurer in ten equal payments, beginning with July and ending in April, except in the case of smaller churches whose apportionments are figured on a quarterly basis.
8. That if necessary Conference action be taken to require such changes in Rules of Order as may be necessary to carry out the recommendations made in the Commission Report if adopted.

Church Extension (Special Benevolences)

At the request of the Commission on Missions, the Commission on World Service and Finance recommends that the annual item of $50,000 be continued for Church Extension and that it be apportioned to the charges as a supplemental budget item figured solely on the "grade figure." The money is to be divided equally between a revolving loan fund and actual grants in need for church extension. Any church may designate not more than 50% of its contribution to any of the conference church extension advance special projects. The other 50% must go into the revolving loan fund.

1. The Commission suggests the acceptance of $83,197.00 as the Annual *Minimum* World Service Apportionment from the General Conference for the Conference Year 1958-59.
2. All funds remitted for World Service and Annual Conference Benevolences shall be divided between the two items according to their ratio one to the other in the budget. The Conference Benevolence Budget shall be distributed among the participants in the same manner.
3. The total Benevolences recommended for the Year 1958-59 by the Commission is as follows:

THE REPORT OF THE BOARD OF PENSIONS
Oregon Conference

Carl B. Mason, Chairman
James Wilson, Vice Chairman
Olin E. Parrett, Secretary
Gustav A. Storaker, Treasurer

1958 *Pre-Conference Report*

Ten years have elapsed since the Oregon Annual Conference entered the Reserve Pension Plan on a partial basis; i.e., only members received since 1948 have been in the full reserve, with all benefits attached thereto. However, those already retired and those previously members of the Conference are outside the full benefits. Also, initial reserves are nearly depleted.

These and other factors lead your Conference Pension Board to recommend complete transition to a full reserve Pension system immediately, with gradual step-up of necessary annual funding, however.

RESOLUTION

Whereas since on June 16, 1948, the Oregon Annual Conference has entered its New Entrants into membership in the Ministers Reserve Pension Fund of the Methodist Church, and

Whereas, we deem it to be in the best interest of the Oregon Annual Conference and its individual churches and ministerial members to enter all other qualified members of the Conference into membership in the Ministers Reserve Pension Fund, and

Whereas paragraphs 1644, section 2, and 1655, section 2, of the Discipline of 1956 make full provision for entering Previous Entrants into membership in the Ministers Reserve Pension Fund;

THEREFORE BE IT RESOLVED,

1. That in accordance with paragraph 1644, section 2, and 1655, section 2, The Oregon Annual Conference enter all qualified Previous Entrants of the Conference into membership in the Ministers Reserve Pension Fund of the Methodist Church and thereby establish a single pension system for all of its qualified members, namely, the Ministers Reserve Pension Fund of the Methodist Church;

2. That to accomplish this transition to the Ministers Reserve Pension Fund, The Oregon Annual Conference find the accrued service obligations of Previous Entrants to date of July 1, 1958 at the amount required to pay an annuity at the rate of $43.00 per service year for approved service rendered before July 1,

THE REPORT OF AREA COUNCIL

The Portland Area Council is made up of representation from each of the Annual Conferences in the Pacific Northwest acting as a clearing house for the many enterprises in the Methodist program in which each of the Conferences may participate.

In it's various meetings the members have faced up to such co-operative efforts as the "Advance Specials" brochure, Church Extension endeavors, the "Together" supplement, a Credit Union, the "Bishop's Outreach", and prospective workshops on "Churchmanships" and "Labor and Management".

We are happy to report that brochures have been furnished each church. The pastor and each Commission on Missions have been asked to retain the brochure as a reference book. The Bishop's Outreach was attended by four thousand people assembled in the twelve or thirteen centers and responded to the Alaska work with both their interest and finance.

The Urban Conference, in Washington, D.C., was publicized and attended by representatives from each Conference.

Under consideration now, is the selection of a person for the Credit Union, the possible Conference in the Northwest similar to Asimolar, and the setting up of workshops on Churchmanship and Labor and Management, this coming Conference year.

Respectfully submitted,
Bishop A. Raymond Grant, Chairman

THE REPORT OF THE PARSONAGE STANDARDS COMMITTEE

The Parsonage Standards Committee of the Oregon Conference notes that the 1956 "Discipline," paragraph 145, part 7 states, "the Parsonage Committee shall be named by the Official Board in which event it shall be responsible to the board."

Last year a Committee was appointed by the Conference to make a study of the parsonage furnishings, their condition and age. Questionnaires were sent out asking for details including: pictures, an accurate floor plan, the description of heating plant, its condition and any other information of interest. A partial response was received.

In the near future we hope to finish this survey to complete the District Superintendent's records. A book containing this information will be made available for each district especially for study at Conference. Our final objective is to establish a set of minimum standards for a long range program in the local church.

We sincerely appreciate the cooperation we have had during this past year and hope that this information will be valuable to many.

Respectfully submitted,
Mrs. H. James Jenkins, Chairman

THE REPORT OF THE OREGON COUNCIL OF CHURCHES

The Oregon Council of Churches exists to manifest the unity of the churches —a unity which exists not merely at the vote of the denominations which created the Council; but also a unity which lives because as Christians and churches we serve one common Lord. Our task is to recognize the unity which He has already given and to witness to that unity by our common tasks of Christian service.

Through the organization of the Oregon Council of Churches, the denominations witness to their oneness in Christ in the following ways of service:

activities of the boards and commissions as it should more and more. To enumerate the many services would be to duplicate what is to be found in other reports.

We believe that substantial savings have been made by cooperative efforts.

It is hoped that all the many boards, commissions and committees will learn to use the Council as an agency through which to communicate to the entire Conference and order materials needed, so as to save duplication and costs.

It has been the function of the Council staff to work in conjunction with the Cabinet and the Area Council.

Much could be written of the sincere effort that has been made in each division.

The Youth and Children's workers together with the Audio-Visual Librarian and the secretaries have engaged in an earnest endeavor to see that each facet of Conference work and the denominational interests have been advanced.

The Fraternal Emergency is a voluntary Fellowship of sharing, upon a non-assessable basis, among the ministers of the Oregon Conference who are giving full time service and making voluntary contribution of $2.00 makes a minister a participant. Upon the death of a child, wife, or a participating minister, the family is paid a death benefit of cash, amounting at the present time of $200.00, from the Fund.

No appeal for funds is made unless there is a death in a family of the fellowship.

A Financial Statement is filed with the Annual Conference each year, showing the amount in the fund.

The OREGON COUNCIL OF CHURCHES commends itself and its program to all the Methodists of Oregon for their active support both financially and by participating in its various programs. Indeed, it is seriously doubtful that one has taken seriously his task as a Methodist Christian if he does not actively support the Oregon Council of Churches.

THE REPORT OF THE SPECIAL COMMITTEE TO STUDY THE SUPPLEMENTATION OF MINISTERS' SALARIES

In compliance with para. 826, of the *1956 Discipline* the program and schedule of Minimum Salaries for ministers of the Oregon Conference shall be as follows:

I. The Conference Board of Missions and Church Extension shall administer the program, and shall assume all the duties, responsibilities, and authorities assigned to the Commission on Minimum Salaries by the *Discipline;* actually the Board shall function as the Commission on Minimum Salaries.

II. There shall be one fund in the Conference for the supplmentation of salaries of ministers serving "Conference Charges;" a supplementary salary item shall be apportioned to the charges solely on the "grade figure" and there shall not be any other apportionment by the Conference to the charges for the supplementation of Salaries.

   A. The Treasurer of the Board of Missions shall upon the recommendation of the District Superintendent and the Board of Missions remit supplementary salary payments monthly to "Conference Charges."

   B. Nothing shall be distributed from the "supplementary salary fund" to cover the failure of any charge to meet its own salary estimate.

   C. No charge or minister shall have the right to sue in the civil courts for any part of the unpaid minimum salary.

III. A charge which, in the judgment of the Cabinet and the Conference Board of Missions, needs additional ministerial support may be considered a "Conference Charge" and apply for supplementary salary funds.

   A. A charge desiring to apply to the Board of Missions for "supplementary salary funds" must do so through the District Superintendent.

   B. For a charge to qualify as a "Conference Charge" it shall conduct an annual every member canvass or comparable program acceptable to the District Superintendent; the results of such program shall be reported to the District Superintendent on a form supplied by the Board of Missions.

   C. A charge that has been a "Conference Charge" for a period of three years shall be recommended to the cabinet to be placed on a circuit if not already on a circuit or be discontinued as a "Conference Charge" or both. (Discontinuance is not to be interpreted as meaning being discontinued as a preaching point.)

   D. Supplementary salary funds paid to a charge shall be remitted by said charge regularly to the minister serving the charge; the use of such designated funds for any other purpose shall be considered as misappropriation of funds. Such misappropriation shall immediately disqualify the charge as a "Conference Charge."

IV. The minimum salary for ministers of the Oregon Conference devoting full time to the ministry shall be:

A.	In full conection	$3,000	
	On trial	2,900	
	Approved Supply	2,400	
	Married	600	additional
	Each dependent child	150	additional
	Each church in excess of one church	100	additional
	*Student Minister		

* (The qualifying of charges served by students as "Conference Charges" shall be left to the discretion of the District Superintendent. A student minister shall not receive more than one-half of the approved supply

A. Service to Denominations

1. Through the MIGRANT MINISTRY the churches of Oregon carried on intensive work in seven centers throughout the state: Washington County, Yamhill County, Salem Area, Klamath Basin, Milton-Freewater, Malheur County, and Central Oregon.

2. The UNITED CHURCH WOMEN is a Department of the Oregon Council of Churches and is the channel through which the church women of Oregon are able to give a united witness through such activities as World Community Day, World Day of Prayer, and May Fellowship Day.

3. In SOCIAL ACTION AND LEGISLATION activities, the Council witnesses to the concern of the Christian for his government. The Council is now represented on two interim committees of the Oregon State Legislature.

4. In RESEARCH AND PLANNING, the Council helps the denominations plan wisely for the unchurched and growing population of Oregon. During the past year, allocations were granted for new churches as follows: Methodist, 2; Christian, 1; Evangelical and Reformed, 1; Presbyterian, 2, and 3 relocations; Congregational, 2, one of which is relocation.

5. CHRISTIAN EDUCATION in the Denominations is helped by such Council activities as the Director's Workshop, the Radio and TV Workshop, the Annual Youth Conference, Interdenominational Training Schools, and a cooperative attempt to discover the best ministry to the college students.

6. The ANNUAL CONVOCATION, to be held this year on December 2, 3, and 4, is perhaps the greatest service the Council can render a denomination, for here, once a year, the denominations worship together, learn together, and work together. This year the speaker will be Dr. E. G. Homrighausen, of Princeton Theological Seminary.

B. Service to Local Churches

1. Through CHURCH WORLD SERVICE, each year from the first Sunday in September through World Wide Communion Sunday, local churches are provided a means to express their concern for the needy of the world.

2. EVANGELISM is the task of the local church. An attempt will be made to organize a state-wide evangelistic effort in 1959 in order that local churches may more effectively do the task which is their first calling, the winning of men and women to the Christ, through the fellowship of a local church.

3. Twelve LOCAL COUNCILS of CHURCHES through the state look to the Oregon Council of Churches for guidance and leadership. Here, at the grass roots, the ecumenical movement lives or dies.

4. USE AND UNDERSTANDING OF THE BIBLE is a major activity of the Council under the leadership of Dr. Gerald A. Larue. During the past year, eight communities held institutes to develop techniques to aid local churches in providing tools and information about the Bible that can be effectively used by local churches

C. Service to the Community at Large

1. The OREGON COUNCIL OF CHURCHES, by its very existence, tells the people of Oregon that the churches are one in "their hopes and their aims." This witness cannot be made in any other way except through a strong and effective Council.

2. The STATE HOSPITALS IN SALEM AND PENDLETON, and the MACLAREN SCHOOL FOR BOYS are legitimate areas of service for the churches of Oregon. Only through the Council can the churches effectively reach those institutions. In each of these three institutions, Chaplains minister to the people served by the institution.

3. CHRISTMAS has long spread beyond the confines of the annual Christian Sunday School program. So the Council, in cooperation with other Christian groups, reminds the people of Oregon that Christmas without Christ is not Christmas.

D. Service to the Pastors

1. The WORKSHOP ON COUNSELING OF ALCOHOLICS is one place where the pastors of Oregon receive help and information with a problem which often presents itself in the pastor's Study.

2. A CONFERENCE ON THE MINISTER AND MENTAL HEALTH is to

THE REPORT OF THE INSURANCE COMMITTEE

The Committee recommends that the Blue Cross coverage be continued for the coming year and that the Conference Insurance Committee continue their study in light of action purportedly taken by the Pacific Northwest and Idaho Conferences.

We further recommend that the Conference continue its present DEATH BENEFIT policy for another year. For an annual payment of a little less than $1500 each effective member (up to and including 64 yrs of age) is covered with $800 life insurance (65 yrs and up to 72 yrs with $400). We recommend that an amount of $1500 be included in the conference budget for this purpose.

We further recommend that an amount of $12,000 be included in the budget for the insurance subsidy (this is the same as last year), and that the subsidy scale remain the same.

The following schedule of Blue Cross payments is recommended for 1958-59:

Total Salary	Member pays	Conference pays
Up to $1,800	20%	80%
$1,801 to 2,100	30%	70%
$2,101 to 2,400	40%	60%
$2,401 to 2,800	50%	50%
$2,801 to 3,300	60%	40%
$3,301 to 4,000	70%	30%
$4,001 to 4,800	80%	20%

THE OREGON METHODIST CONFERENCE HISTORICAL SOCIETY

The Oregon Methodist Conference Historical Society, in the passing of the Rev. Thomas D. Yarnes last December 12, lost its official Historian and one of its most valued members. His knowledge of Oregon Methodist history and his deep interest in the work to which this Society is dedicated were respected and appreciated by all. It is our further regret that Brother Yarnes was unable to complete the "History of Oregon Methodism" upon which he had bestowed countless hours of loving labor. It is our purpose to find some person or persons who will assume the responsibility of conserving and completing this task.

Before his death Brother Yarnes entrusted the completed portion of his manuscript to Rev. Reginald R. Stewart of the California Conference Historical Society, with the understanding mimeograph copies of this work would be made and that our Society and Mrs. Yarnes would be provided with copies. We are requesting the return to our Society of all materials turned over to the California group so that such material may be preserved in the archives of the Oregon Conference.

We earnestly seek the support of all pastors and laymen of the Methodist Churches of Oregon to the end that valuable historical data be not lost. If you know of any valuable material which might be available for our files or for the making of photostatic copies please notify our president or our secretary.

The Society again asks the Oregon Annual Conference for permission to keep its funds from year to year. Money is needed for travel and collecting materials, for making photostatic copies, for further work on "A History of Oregon Methodism," and kindred matters.

Recording Secretary

B. Monies received from the charge for "travel" or "car" expense shall be included in the computation of the minimum salary.

C. The rental value of the parsonage shall not be included in the computation of the minimum salary. The value of parsonage utilities paid directly to the utility company by the charge shall be included in the computation of the minimum salary. Reimbursements which the minister receives from the charge for parsonage utilities shall be included in the computation of the minimum salary. Charges should be encouraged to pay utilities for the benefit of the parsonage family.

D. There shall be an increment schedule as follows for ministers serving "Conference Charges."

1. When a "Conference Charge" increases its portion of its minister's salary, one-third of the increase may upon the recommendation of the District Superintendent and the approval of the Board of Missions be applied to increase the minister's total salary schedule.
2. No minister serving a "Conference Charge" shall receive more than a 5% increase in his salary in any one year under the provisions of the above increment schedule.

E. Nothing in this legislation shall be construed to allow income decreases for the 1958-59 Conference Year. (Income includes cash salary, travel allowance, and utilities, whether paid to the pastor or to the utility company.

V. The Committee recommends that the Conference make every effort possible to raise the minimum salary chedule as well as all salaries of the Conference to the place where the salary is compensation for services rendered, rather than a subsistence stipend as is the case under the recommended schedule.

THE REPORT OF THE BOARD OF TEMPERANCE

Goals for this year included organization and information. Through the efforts of the District Superintendents, most of our churches now have commissions on Christian Social Relations set up and functioning, with at least one member responsible for each of the three fields; Temperance, World Peace, and Social and Economic Relations, through which the Conference Board may function.

Our Board has met four times during the year. Our combined members have attended fifty-four days of intensive study at the Oregon State Hospital, Salem, "Regional Conference" at San Francisco, "Adult School of Alcoholic Studies" at Greenlake, Wisconsin, and "Alcoholic Legislation" at Washington, D. C. The above schools were conducted by our Home Board of Temperance except the Salem school which was under the auspices of the Oregon Council of Churches. There was also a one day study at Portland by the "Oregon Alcohol Education Association."

There is a demand that something be done? But what? And how? With five million alcoholics already in our nation and thirty thousand in our own state, total abstinence education is exceedingly important, especially with youth. A national survey reveals that four out of every five drinkers learned to drink while still in their "teens." But education can be helpful. A Gallup Poll reports that 33% of adults were total abstainers in 1945 compared with 42% now. A comparison of Oregon statistics for the twelve months ending June 30, 1957, with the preceding year reveals a decline of 4.4% in the consumption of beer; of 21.4% in the consumption of hard liquor and vodka, and of 38.4% in the consumption of wine. Education in the church, in the public schools, and wherever opportunity permits is of primary importance.

We recommend therefore the following as a minimum program for each local church:

1. The formation of a Commission on Christian Social Relations with a person or committee with specific responsibility in the area of temperance.
2. That "Contact" be provided by each local church as current resource material for the Temperance Committee.
3. That the Temperance Committee work closely with the Education Commission to make more effective use of the units on alcohol in the regular church lesson materials.
4. That the "Committment Day" program be studied and adapted to the needs of the local church.
5. That "Schools on Alcohol" and public forums be held in every church where it is feasible to do so.

We recommend also that all our churches shall alert their young people to the importance of supporting essential legislation in this field. The right of people to buy and sell alcohol can only exist as the right of all people to security on the highways, in the airways, and the right of people to rear their young without having alcoholic psychology forced into their homes through radio and television are rightly protected. For this reason we favor the passage of the bill now before Congress which will prohibit the sale of liquor on airplanes, and the passage of the bill which seeks to prohibit the interstate advertising of beer and wine by radio and/or television. We favor also the support of legislation which will come up in Oregon in the next session making a test for drunkenness mandatory wherever others are convinced that a man's driving justifies it. Laws are now being drafted by competent legal authorities so that tests can be required without infringing upon our basic liberties. It is imperative that such laws be passed and enforced if the hand of accidental death on the highways is to be kept from

D. STATE OF THE CHURCH

THE REPORT OF THE BOARD OF SOCIAL AND ECONOMIC RELATIONS

I.

The Board has met and we have attempted to make the organization within the Board and on the District level more effective than before. We now have District Directors for each District, and it is the hope of the Board that the coming year will see the results of a closer cooperation between the Board, the District Directors, the District Superintendents, and the local churches.

II.

We recommend that the District Directors become members of the Board of Social and Economic Relations.

The Board moved, seconded and carried that the paragraph in the 1957 Conference Journal, page 54, entitled, "The Civil Rights Report, paragraph 3," be changed to read, "WE RECOMMEND THAT THE CIVIL RIGHTS COMMITTEE BE A PART OF THE BOARD OF SOCIAL AND ECONOMIC RELATIONS."

III.

We wish to call to the attention of the Conference the statements in the Journal, 1953, page 73, paragraph 2, and in the 1954 Journal, page 69, paragraph 4, the reports by the Board of Social and Economic Relations which urge on Congress to take measures which would bring the investigating committees on un-American activities, or other Congressional investigating committees, into conformity with our commonly accepted Anglo-American principles of investigation, evidence and trial, or to abolish such committees which seem to be a threat to the free democratic way of life.

IV.

The McCarran-Walter Act should be revised so as to make American immigration legislation reflect Christian charity, American justice, and the principles of the Universal Declaration of Human Rights, supporting the action of the Annual meeting of the Board of World Peace of the Methodist Church, Nov., 1957.

V.

We move that the Oregon Annual Conference go on record as supporting the efforts of local communities to promote Family Day observance and business closures to that end. Methodists will observe Sunday as Family Day.

VI.

We recommend that the Oregon Conference cooperate with the Portland Area Council of the Methodist Church to bring to the Area an Industrial Relations Conference as soon as dates can be fixed and cleared.

VII.

We move that the Oregon Annual Conference commend the Oregon Prison Association and the Oregon Council of Churches in their efforts to bring an end to capital punishment in the State of Oregon. We further urge the members of the Methodist Church in Oregon to study this matter and register their convictions at the polls in the fall of 1958 when this issue will appear as a referendum on the ballot.

VIII.

We recommend that the local churches be alerted to the principle of separation of Church and State as it relates to our public schools. We endorse the activity of the organization "Oregonians, Protestants and Other Americans United for Separation of Church and State" in their effort to prevent tax monies being used in the support of private and parochial schools.

We recommend that the Conference Board of Social and Economic Relations study the curriculum of our public schools in order to become aware of what religious ideas are being taught.

IX

We call attention to Para. 2026 of the 1956 *Discipline:* "The teaching of our Lord is that all men are brothers. The Master permits no discrimination because of race, color or national origin."

We recommend that our Methodist churches study and take definite action promotion of World Peace, stated in the resolutions above, the officers of the Committee on World Peace and the District Directors are authorized and instructed to:

1. Cooperate with the executive committees and district directors of Temperance, and Social and Economic Relations to organize and train leadership in the Commission on Christian Social Relations in each local church in the Oregon Conference.
2. Meet from time to time to plan and carry out the policy of the committee between meetings.
3. Suggest specific action projects to the churches in the Conference.
4. Attend regional briefing conference on Christian Social Relations.

RECOMMENDATIONS TO THE LOCAL CHURCHES:

1. There shall be a Commission on Christian Social Relations which shall include a concern for world peace in local churches in the Oregon Conference. The local churches are asked to take initiative in inviting the district directors of World Peace to assist them in this concern.
2. Program suggestions for a local church Commission on Christian Social Relations in the area of World Peace:
    a. Use the turnover chart, "Your Church Serves its Community and World," and the filmstrip and recording, "A New Kind of Building," (available through the Audio-Visual Library of the Conference, or through the District Directors of Social and Economic Relations, Temperance, and World Peace) and other materials on the local church Commission on Christian Social Relations as they become available.
    b. Distribute "The Methodist Church Officially Acts on War and Peace," and "Resolutions From the Annual Meeting of the Board of World Peace" (*Methodist Peace Courier,* January, 1958).
    c. Subscribe to the *Methodist Peace Courier* (10 issues, September to June, $1.00), Board of World Peace, 740 Rush Street, Chicago 11, Illinois.
    d. Obtain, distribute, and study other literature on world peace from the Board of World Peace, such as "Vitalizing Peace Action in the Local Church," and "Register Christian Opinion," and others listed in "Resources for Your Peace Program," and *Methodist Peace Courier.*
    e. Show and discuss the film, "Which Way to Peace?" a discussion between Dr. Henry Hitt Crane and Bishop G. Bromley Oxnam, moderated by Bishop Gerald Kennedy. (Order from American Friends Service Committee, 1108 S.E. Grand Ave., Portland 14, Oregon. Rental $3.00).
    f. Present the youth of the church the alternatives to participation in military training and service through the study of such leaflets as "The Draft Law and Your Choice," published by the Friends Peace Committee, "Christian Choice Regarding Military Training," prepared by the United Christian Missionary Society of the Disciples of Christ, and "The Christian and Military Service," by Herman Will, Jr. of the Board of World Peace. (See Youth and Military Service in "Resources for Your Peace Program.")
    g. Cooperate with other agencies promoting world peace, such as the American Friends Service Committee, Oregon United Nations Association, and World Affairs Council.
    h. Observe the United Nations Week, October 19-26, 1958; World Order Sunday, November 9, 1958; and Human Rights Day, December 10.
3. The Commission on Christian Social Relations and/or the Official Board of a local church ought to express Christian concern on world peace and communicate their convictions to the President and Congress of the United States.
4. Individual members of the local churches are encouraged to study and take positive action in the promotion of world peace.

Willamette University

The Oregon Annual Conference heartily endorses and supports the quadrennial emphasis on Christian higher education. We believe that church-related colleges and universities are playing a vital role in the training of young people to meet the present crisis and to build for enduring world peace. We commend Willamette University for contributing toward this end on our behalf. We regret, however, that the trustees of the University have not discontinued A. R. O. T. C.

reaching into more and more of the homes of our people.

In closing, we recommend that the local church work closely with the Oregon Temeperance League and open its pulpit to their representatives in order that our people can be kept conversant with all phases of this varied and difficult problem.

THE REPORT OF THE COMMITTEE ON WORLD PEACE

"The role of the Church in today's world situation is clear. Its task is to help mankind attain freedom, human rights, justice, adequate living standards, self-government, and the co-operation of all nations for the maintenance of peace.

"With the development of increasingly horrible weapons of mass destruction, mankind stands at the threshold of possible extinction. In the face of this situation, Christians everywhere are confronted with a definite challenge.

"Motivated and mobilized by the spirit of Christ and challenged by world conditions, Christians are in a strategic position to make the gospel articulate in world affairs to the end that peace may become real and dynamic." (Par. 2024, 1956 *Discipline*)

RESOLUTIONS:

1. Disarmament: We urge the United States government to make persistent efforts to achieve universal disarmament through the United Nations. We further urge our government to take decisive steps now in the direction of disarmament.
2. We urge discontinuance of nuclear weapons testing by all nations and recommend instead the further development of atomic energy for peaceful uses.
3. Peacetime conscription: "We affirm the oft-stated position of the General Conference that compulsory peacetime military training is contrary to the best American traditions and disregards the Christian hope for security through positive policies." (Annual Meeting of the Board of World Peace, November, 1957.) We urge the abolition of peacetime conscription.
4. "We believe that the United Nations and its agencies should be supported, strengthened and improved. Moreover, if these facilities are to become most effective, the United Nations, with membership open to all nations, must be given sufficient authority to enact, interpret, and enforce world law against aggression and war." (*Discipline* p2024, Sec. 6).
5. We believe that the United Nations is weakened by the absence of any government, especially those who wield effective power over great numbers of people. We, therefore, urge the recognition of the representatives of the Chinese People's Republic at the United Nations, provided steps have been taken to fulfill the responsibilities of the free world, and the U. S. in particular, for the safety and well-being of refugees from the Chinese Communist dictatorship, especially in Formosa.
6. Political Freedom: "We believe in self-government, and the participation in political processes by all persons within a nation." (Annual Meeting, Board of World Peace).
7. World Economic Development: "We believe that the United States should give strong leadership to programs of world economic development. Our technical and capital assistance should be generous and adequate. It should be largely channeled through United Nations agencies, such as SUNFED, UNICEF, and the Technical Board. It should be linked to a continuation of reciprocal trade agreements and the ratification of the Organization to Trade Cooperations" (Annual Meeting Board of World Peace).
8. Since the Methodist Church has been a strong supporter of democracy and freedom, and since other nations of the world interested in democracy and freedom have looked to America as an example to study and support, we urge our Congressmen and our State Department to discontinue political and military support of dictatorships.
9. We urge a continuation and expansion of the Foreign Exchange Student Program and urge Methodist Churches to use the international students in some way to expand our knowledge and friendship of other peoples of the world.

IMPLEMENTATION

In order to implement the policy of the Annual Conference in regard to the ary Secretaries in their respective districts. Attendance was good, and the participants manifested a real interest in Schools of Missions and a deep concern that they should be successfully conducted. It would appear from the reports that have come in so far that the number of Schools of Missions held this year is an increase over that of the previous year. One district reported that 95% of the churches in that district had Schools of Missions this year.

Early in the year a list of people who have served on the mission field and who are now resident in the Oregon Conference was prepared and sent out to each local church with the suggestion that each church have a missionary speaker at some time during the year. It appears that this was effective since one district reports that with the exception of five churches, every church on the district had had a missionary speaker sometime during the year.

Dr. William Bray was the itinerating missionary in the Conference this year. He is a missionary to Japan. He was in the Oregon Conference parts of the months of September–December, speaking in 29 churches during that time.

Two 16 mm films, "Report Korea" and "Lands of Decision," have been in the hands of the Conference Missionary Secretary for distribution free of charge. These have been circulated throughout the conference. Also the sound film-strip "The Commission on Missions" has been circulated on the same basis.

A series of meetings entitled, "Invitation to Outreach" in which Bishop Grant and Fred McGinnis, Supt. of Alaska Mission, spoke. Bishop Grant emphasized the program of the Methodist Church throughout the world. Fred McGinnis spoke more particularly of the work in Alaska. Attendance at these meetings was good across the whole Conference.

The District Secretaries have given a good bit of time in local churches in promotion of the Oregon Conference Advance and in getting churches to accept and pay their apportionments.

Gustav Storaker, Missionary Secretary of the Forest Grove District, was the representative from this area at the Board of Missions Meeting in Buck Hill Falls.

Two couples from the Oregon Conference have been put under appointment this year by the Division of World missions for service abroad: Rev. and Mrs. David Schneider, presently minister at Chiloquin and Dr. and Mrs. Robert Peterson, a dental surgeon from Grants Pass. These two couples have done a good bit of speaking in the various churches in the Conference.

A copy of "Christian World Facts" was sent by the Conference Board of Missions to each minister in the Conference.

An attempt is being made to bring the churches of the Oregon Conference to a greater consciousness of the missionaries that have gone from the Oregon Conference to the foreign field. A list of active missionaries in the foreign field from the Oregon Conference was made up and printed in the Conference Journal and also sent out by letter from the Conference Missionary Secretary's desk to the local churches. Also with the same purpose in mind, information is being gathered from each one of these missionaries regarding themselves and their work with the thought of emphasizing one missionary at a time through a news letter to the churches of the Conference, doing this until all of the missionaries have thus been introduced to every church. Also those missionaries have been asked to put the name of every Oregon church on their mailing list so that they may get their news letters which are sent through the New York office.

Ira Gillet, missionary from the Oregon Conference now serving in Southwest Africa, is retiring this conference year and the Board of Missions is seeking to get permission from the National Board for him to give time to the churches of the Conference.

THE REPORT OF THE BOARD OF MISSIONS AND CHURCH EXTENSION

INTRODUCTION

Regular meetings of the Conference Board of Missions and Church Extension were held in June, September, and January.

The Executive Committee met in June.

A special meeting of the Board was held in March.

on Willamette campus. The compulsary feature of the program may hinder the enrollment of male students rather than encourage it. Discontinuance of A. R. O. T. C. we feel would be of benefit to the Willamette University and The Methodist Church as they witness and work for Christ and for enduring peace in the world.

MINORITY REPORT

CHRISTIAN SOCIAL RELATIONS STUDY COMMISSION

Re: Resolution number 5 of the report of Committee on World Peace

Inasmuch as a majority vote of this study section by a substitute motion recommended that this Conference go on record as favoring admission of Red China to the United Nations as the government in fact of China, provided certain safeguards are taken to protect the refugees from the Chinese Communist dictatorship, and

Inasmuch as a minority of 9 voted against presenting the proposed resolution to this Conference, not as opposed to admission to the United Nations of any government ready to accept responsibility of membership in the United Nations, but to recommend that this Conference refrain from making a pronouncement on Red China until such time as member nations of the United Nations and members of this Conference can determine how and when Red China can be admitted to the United Nations without possibly sowing seeds of destruction of the United Nations,

(In November of 1958 the National Board of World Peace defeated a proposed resolution similar to the proposed resolution of the majority. Again last week in Chicago the National Board reiterated its position. The National Board has taken the stand to encourage adoption of a United States policy to permit correspondents and church leaders to move both ways between the United States and Red China.)

The minority of the Study Commission respectfully recommends the deletion of resolution 5 in its entirety and recommends further study and prayer on the question by the Committee on World Peace and by every member of this Conference.

THE REPORT OF THE DEACONESS BOARD

During the past year the board has been handicapped by the absence of active deaconesses within the Conference. Since recruitment is aided by example the first effort in the coming year will be an attempt to bring qualified deaconesses into the area. Cultivation will also continue among youth groups and other organizations having potential possibilities for full-time Church related recruits. In this day of rapid population movements the wide range of deaconess duties could well be the answer to our man-power shortages in many areas of our Church.

REPORT OF THE OREGON CONFERENCE MISSIONARY SECRETARY

A representative from each district, the Conference Missionary Secretary, and the Chairman of the Board of Missions attended the Missionary Education Conference at the Asilomar Conference Grounds at Pacific Grove, California in early August where they not only received the information and inspiration of the conference but had the opportunity to meet daily with representatives of the Board of Missions in N. Y.

During September and early October sixteen coaching conferences were held in strategic areas of the Conference with a section on missions in each one. The particular emphasis in these conferences was training for schools of missions in the local churches. The sessions were under the direction of the District Mission-

SPECIAL RECOMMENDATION FOR CHURCH EXTENSION

We request that the annual item of $50,000 be continued for Church Extension and that it be apportioned to the charges as a supplemental budget item figured solely on the "grade figure". The money is to be divided equally between a revolving loan fund and actual grants in need for church extension. Any church may designate not more than 50% of its contribution to any of the conference church extension advance special projects. The other 50% must go into the revolving loan fund. Promotion of this fund to be the responsibility of the section on Promotion and Cultivation of the Conference Board of Missions.

REQUEST—District Superintendents to make requests for funds in writing and provide Section with the same and signed.

SECTION V—*Your Conference Board makes the following recommendations:*

1. In the administration of all funds that shall come into its possession for church extension purposes the Board shall seek to extend aid only as it shall appear that the recipient clearly represents a bona-fide missionary project.

2. All applications for aid from the Conference Board of Missions shall be made in writing and upon forms to be provided by the Board. Each application shall bear the written endorsement of the District Superintendent and District Board of Location and Building. Application forms shall clearly indicate the purpose for which aid is requested, a general statement concerning the church and its organizations, an analysis of the specific project for which aid is requested indicating the total cost of the project and the total resources available to complete it, all existing financial liabilities, and if the application is for a loan, a statement from the church indicating its proposed method of repayment. Such applications shall reach the Chairman of the Board of Missions not less than twenty-one (21) days prior to scheduled meetings of the Board. Applications received after the beginning of the twenty-one day period shall be held until the next following meeting of the Board.

3. When applications for aid, from either the Conference or the National Board, have been received they shall be submitted to the Chairman of the Church Extension Section for analysis prior to the meeting of the Board. The Chair-

THE REPORT OF THE COMMITTEE ON PERIODICALS, PUBLICATIONS AND COLLECTIONS

Several encouraging signs stand out on the horizon. More Methodists bought more books and more periodicals than at any time in Oregon history, reports the Portland Branch of the Methodist Publishing House. In the midst of what some have called a business recession, patronage of our Methodist book store has increased by a healthy margin.

The new knowledge gained by our increased reading should be put to work in our general church program, and still more of our people should be encouraged to read and study the many good books available through The Methodist Pubilshing House.

The monumental working tool of all ministers and active Bible-studying laymen—The Interpreter's Bible—is now complete in twelve volumes. The next major multiple-volume project of your publishing house is a five or six volume "Interpreter's Bible Dictionary," the first such venture in over 60 years. Here is another natural for your church school libraries and pastor's offices.

By the way, a fine chance to promote good reading and thereby to advance the Kingdom of God is to promote and maintain a church library. Books for it may be purchased for your library from your Methodist book store at a sizeable discount.

Do not forget in the midst of your buying of new books that old records of your local church's history should be sent to the conference historical society's depository at Willamette Univerisity, or contact your conference committee.

The Together Magazine and The New Christian Advocate have sold themselves very well with your help. Let's continue to keep Together in the home of every Methodist family. Also, let's encourage every active layman to read The New Christian Advocate for increased insight into effective leadership.

Let's not just see how much we can read, but let's read as much as we can of the best.

Alfred E. Vosper, chairman

THE REPORT OF THE COMMISSION ON TOWN AND COUNTRY WORK

Under the guidance of Burton Bastuscheck the commission will aid in the setting up of two pilot areas to study the possibilities of the group ministry approach in our conference. In cooperation with the cabinet the Canyonville-Myrtle Creek-Days Creek area and the Molalla-Carus-Marquam community will be surveyed and preliminary steps taken to institute this type of ministry.

A conference on rural life will be held the week before Lent, 1959, in Lakeview. The theme of the meeting will center around the group ministry approach. Results of the two surveys mentioned above will be published and further steps toward work of this kind will be planned.

The Town and Country Commission will continue to work cooperatively with the conference Rural Life Fellowship.

We urge all our town and country churches to enter the church improvement contest sponsored by the Oregon Council of Churches and suggest that each church make every effort to send both the pastor and a layman to the October rural life conference at Oregon State College.

We shall attempt to send at least one delegate to the National Town and Country Conference.

Sincerely,
Bruce McConnell

man of the Section on Church Extension shall carefully evaluate each request and report his findings to the Board.

4. The disposition of all requests for aid shall be conveyed to the applicant and District Superintendent in writing by the Secretary of the Board within ten days after final action has been taken.

5. In view of the fact that applications are submitted in writing, pastors and lay representatives of local churches requesting aid shall be requested to appear before the Board in person only if the Chairman of the Section on Church Extension, after analyzing the application, shall so request. This shall not be construed that a delegation shall not appear if District Superintendent so desires.

6. All agreements of every name and nature entered into by the Board in the administration of funds shall be made in writing, and all terms of such agreements shall be considered official and binding whether made by any office, board or District Superintendent.

7. Loans from Conference funds shall be secured by a Note executed by the proper officials and by a Mortgage upon the property involved. Property mortgaged as security for a loan shall be insured for an adequate amount against loss by fire and windstorms, and a certificate of insurance indicating the interest of the Board shall be filed each year with the Conference Treasurer during the life of the loan. Subordination of liens may be granted at the discretion of the Board to permit additional financing by local churches. Paragraphs 171 and 172 of the 1956 Discipline shall apply to mortgages given to the Board. Interest rates on loans shall be in keeping with the rates generally prevailing in the Division of National Missions.

8. All funds received for church extension purposes shall be allocated on a basis of 50% for grants and 50% for loans. When it shall appear that a local church cannot be expected to meet the obligation of immediate repayment of a loan, the Board may grant in writing a deferment of principal payments or a deferment of both principal and interest payments.

9. A preferable loan period shall be from five to seven years, but a maximum of ten years may be granted at the discretion of the Board. Deferment periods shall not be considered as part of the loan period.

10. All requests for funds to be used for the purchase of sites for new churches shall clearly indicate the general location of the proposed site. Funds shall not be disbursed until actual cost, and the approximate length of time that shall elapse before actual development is begun have been determined.

11. Funds that have been allocated for a specific project or purpose shall not be used for any other purpose without the written consent of the Board.

12. The Section on Church Extension shall give careful attention to the record of World Service giving of each local church submitting application for aid from the Conference Board of Missions. If it shall appear that such church failed to accept and pay its World Service asking in full for two years or longer prior to the date of its application, such church shall be considered ineligible to receive aid from Conference church extension funds; PROVIDED, that for good and sufficient reason this provision may be waived upon a ¾ majority vote of the members of the Board of Missions present and voting.

13. While the Board recognizes that paragraph 1297 of the 1956 Discipline authorizes the Executive Committee of the Conference Board of Missions to exercise the functions of the Board ad interim, the Executive Committee is urged as a principle of sound administration to consider the following recommendations:

(a) Make every effort to avoid taking executive action which would have the effect of changing previous actions taken by the Board.

(b) Refrain from making grants or loans from church extension funds, reserving such function to the Board.

In all cases the Executive Committee shall be bound by the same regulations which apply to the Board in the administration of church extension funds.

CONCLUSION

We express sincere appreciation to Dr. J. B. Harris for spending four days in the Oregon Conference studying projects and counseling with the District Superintendents and the chairman and secretary of the Board; to Bishop A. Ray-putting into effect an urban strategy which will help the church to be a more effective witness and servant of Christ.

—to report its studies and findings to the Annual Conference and to the responsible boards and agencies of the Church.

II. To be the channel through which the Annual Conference cooperates with the Department of City Work of the Division of National Missions—

—to cooperate in making studies in the urban field on a National scale.

—to take leadership in promoting meetings of urban pastors and laity to become better informed as to pertinent facts, problems and needs of city dwellers.

—to sponsor urban workshops and institutes as needed.

III. To aid the Conference Board of Missions in making more effective use of benevolent funds available in the urban field—

—by making studies of present practices.

—by suggesting changes as indicated.

IV. To be the channel through which the Annual Conference cooperates with the Council of Bishops and the Department of City Work in the Quadrennial Convocation on Urban Life—

—recommending to the Bishop nominees to be invited to attend and how expenses are to be underwritten.

—reporting the status of our churches and their programs of service in the cities within the Annual Conference.

Plan for follow-up meetings within the Annual Conference to consider the items in the findings of the Convocation that are pertinent for local consideration

Members of your committee ask for the cooperation of pastors and laymen in this important Urban Work field. Within twenty five years 75% of our people will reside in urban or suburban areas and 25% in Town and Country areas. Our task increases every year.

Recter W. Johnson, Chairman

THE REPORT ON THE GOODWILL INDUSTRIES

Midyear of 1957, Goodwill Industries of Oregon completed 30 years of service to the physically handicapped. During this time a grand total of 9,455 different people were helped. Earned wages by these handicapped persons for the same period of time totalled $4,120,878.22, or 89% of the total amount of sales.

The rate of growth over this 30-year period is indicated by the following

	1928 thru 1937	1938 thru 1947	1948 thru 1957
Wages	$ 1183,726.22	$1,183,071.49	$2,754,080.51
People served	2517	3436	3502

How is such a record possible? Because you supplied the raw materials—no longer needed clothing, furniture, electrical wares—and the interest, encouragement and leadership through the years to make this self-help program a success, a practical expression of Christian concern.

During 1957 G.I.O. spent more money for wages and rehabilitative services for the handicapped than the State of Oregon appropriated for the same purpose for the same period of time; and it did this without any cost whatsoever to the taxpayers or United Fund.

Listed here is our service record for the year 1957:

Number of persons given employment	480
Number of man hours of work provided	476,027
Total wages paid	$419,587.00

Average daily level of employment 23.1% increase.

186	1956
229	1957

Wages 25.5% increase

$334,000	1956
$420,000	1957

Total Store Sales 28.5% increase

$407,000	1956
$523,000	1957

THE REPORT OF THE BOARD OF HOSPITALS AND HOMES

The high-light of the year was the dedication of the Willamette View Court on January 26th. This 127 room addition to the Willamette View Manor represents the completion of the second unit of the retirement homes dream originated by Rev. Edward Terry. The next unit will be the construction of a convalescent hospital to care for those in the Manor and Court who need care.

The Conference Board looks with favor on and commends the plans for the Rose Villa retirement home which will be constructed on land to the south of the Court. Also we commend the effort toward the building of the Chronic Hospital, a project of the Oregon Methodist Homes Inc. In various places throughout the State other denominations or individuals are investigating or planning retirement homes. The Rogue River Manor near Medford is in the stage of selling apartments. Investigations and requests for help for such projects have come from Tigard, Eugene and Beaverton. We would advise all to clear with our National Board, 740 Rush St., Chicago, Ill. for counsel on the basic steps leading toward the establishment of a Hospital or Home.

Your Conference Board is working with the Portland Ministerial Ass'n. in seeking to secure a Hospital Chaplain to care for Methodist patients who come from all over the state. It is believed that a greater service could be rendered our people through such a service, that a good prospect list could be developed and that our work in the ministration to the sick could be made to reflect on the growth of Methodism throughout the State. "In cooperation with the Woman's Society of Christian Service we recommend the study and promotion of Chaplain Service in each parish where a hospital exists. This work to be carried on through the United Church Women with cooperation of the local W.S.C.S. and ministers." at the end of the final paragraph of the printed report.

Sincerely,
Olin E. Parrett
Chairman

THE REPORT OF THE COMMITTEE ON URBAN WORK

The Committee on Urban Work is appointed by the Conference Board of Missions in consultation with the Conference Cabinet. It is a new committee authorized by the General Conference of 1956, paragraph 1305 The Discipline.

Members of our committee are, Bishop A. Raymond Grant, Edward Terry, Brooks H. Moore, vice chairman, Eugene Walters, secretary, Kenneth Kienzle, Herbert Ambler, Dr. Robert F. Anderson, Claude Krausnick and Recter W. Johnson, chairman.

Cortlandt Cambric, J. Ralph Johnson and Recter W. Johnson attended the Convocation on Urban Life in America in Washington, D. C., February 18-20. As a follow up to the Convocation it has been suggested that there be a series of Urban Work Workshops late in 1958, and that there be at least one Area wide workshop for looking into our particular needs in urban work. There is to be an Urban-Rural Conference in Eugene in December 1958 under sponsorship of the Oregon Council of Churches which we are urged to support. In addition there should be district level workshops to work out programs peculiar to the district situations of need.

Your committee has given support to a committee set up to study and make known the problems of integration in West Coast churches, and to suggest procedures to overcome the problems discovered.

The Committee on Urban Work of an Annual Conference has several major responsibilities:

I. Carry out continuing studies concerning the change and growth in cities over 10,000 population within our Annual Conference—

- —to analyze the meaning of this change in growth to the life of the church.
- —to alert the leadership of the local church, district and conference as to the consequences of such data.
- —to indicate some of the steps that must be taken to adapt or change the services of the church to meet changing conditions.
- —to take the initiative in counselling urban church leaders in devising and

Related Vocations. To help in laying a foundation for this, we have sponsored by giving prize money an oratorical contest for members of the M.Y.F.

A new approach to understanding and realizing our quadrennial goals was suggested by our executive committee. By means of this each local society is to evaluate their own work trying to measure their accomplishments and growth spiritually as well as in deeds. We are cultivating a personal commitment that will help us as individuals. One of the helps we are aiming for is a better understanding of each person's part in the total church program. We further aim to look beyond our immediate suroundings to try to see the "World as our Parish." By this means we hope to create an atmosphere within ourselves and without that will eliminate barriers of race or economic origin.

We pray we may have the courage and strength to stand for our convictions. We encourage our women to use the four study books each year and continue with action as a result of their study. We try to give as abundantly to meet the needs of other peoples as we do for our own needs. We have ratified the Charter of Racial Policy on a local, district and conference level.

There are 154 local societies and 55 guilds. We had 12,000 members at the beginning of this fiscal year. Reported by February were 444 new members. The guilds of the conference are trying to attain a goal of 1,000 members.

The pledge of the Woman's Society of the Conference for missions for the year 1957-1958 is $52,250.00. The pledge for conference projects is $3,695.00

Activities

The Conference Executive Committee has met three times this year—in September, at the Oak Grove Church in Milwaukie; in February, at the Springfield Methodist Church; in April at the First Methodist Church in Medford.

Nearly all conference officers have met with their district officers for conference, organization and guidance. Dr. Gertrude Boyd Crane, Conference Secretary of Spiritual Life has held district clinics for the secretaries of spiritual life in the local societies and for others interested. These have been very helpful. Dr. Crane has also conducted the study on the Gospel of Mark, "Disciples to Such a Lord," by Barnett, in several churches.

June 24-28, 1957, eleven members of the Oregon Conference attended the Western Jurisdiction School of Missions at Salt Lake City, Utah.

July 21-26, 1957, W.S.C.S. Conference School of Missions at Camp Magruder.

July 26-28, 1957, W.S.G. Weekend at Camp Magruder.

October 1-4, 1957, Regional Workshop on Human Relations, Burlingame, California. Thirteen officers from the conference, districts and W.S.G. attended.

November, December, January—eight district, sub-district and W.S.G. workshops on Human Relations were completed.

March 25, 1958, Forest Grove District Meeting at Tigard Methodist Church.

March 27, 1958. Salem District Meeting at Lebanon Methodist Church.

April 10-11, 1958, Eugene District Meeting at Coos Bay Methodist Church.

April 11, 1958, Portland District Meeting at Rose City Park Church, Portland.

May 6-9, 1958, General Assembly of the Woman's Society of Christian Service, St. Louis, Mo. Nine women and one student attended.

June 17-20, 1958, Oregon Annual Conference of the Methodist Church.

Publications

The Oregon Conference Bulletin, published quarterly; Mrs. D. N. Morey, Editor, Mrs. G. W. Baars, Associate Editor, Mrs. Ross Grimm, Business Manager. The staff has done a commendable piece of work this year. The Bulletin is the organ through which the conference and district officers may express themselves.

Audio-visuals—77 societies used audio visuals in some form in the programs. $20.00 was contributed by the conference W.S.C.S. for the purchase of films for the office of the Coordinating Council to be used by the Conference wherever needed.

Accepting our quadrennial goals as our personal goals, we commit ourselves to the spirit and principles of Christ for the whole world by accepting our responsibility in the total church program of the local church. We shall interpret the place of the educational institutions of the Woman's Division of Christian Service in the WORLD MISSION OF THE CHURCH. We shall confront the church with the challenge of recruitment for missionary and deaconess service.

Total Operating Income 24.3% increase

$480,000	1956
$597,000	1957

As impressive and significant as all of these facts and figures are, their true value can be measured only in terms of service rendered. We, like any corporation, at the end of the year like to declare a dividend; but our dividends are not in dollars and cents. They are meaured in the lives of people; people who have all the hopes, aspirations, and desires that you and I possess; people who ask for "Not charity, but only a chance."

Goodwill Industries is constantly striving to expand in order to care for an unending waiting list of others who sorely need the services Goodwill can offer. This can be accomplished only if more discarded materials are provided. It is hoped that during the current year the church throughout the conference area may be able to set up concerted collections for Goodwill Industries as a strong part of the World Service Program. To accomplish this it is proposed that individual churches of this Conference collect discarded materials for Goodwill Industries of Oregon. The church concerned will receive a credit to its Special of $3.00 for each bagfull (½ barrel size) so collected. Information as to transportation of the materials after collection, and crediting by the Conference Treasurer, will be provided each church by Goodwill Industries.

THE REPORT OF THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE

This past year the theme "The Spirit of Christ for all of Life" has echoed in the thirty-two countries to which we contribute a share of our goods, our prayers—yes our service. It happens that some projects are accessible and we render a personal service in our Oregon Conference. Who would question the need of service and funds for the Migrant ministry, Linnton Center or the Methodist Home?

Our scholarship Fund serves girls—preferably Methodists, who plan to enter religious, social or educational work. It is planned for negro girls or girls of a minority group, who are planning to attend one of our colleges in Oregon. Allocated for two girls is the sum of $500.00 per year.

The Youth and Student Travel Fund is $675.00 per year, paid to the Director of Youth for the Conference and the Conference Director of the Oregon Methodist Student Movement. This year an additional $100.00 was sent to aid student travel to the Quadrennial Convocation in Lawrence, Kansas in December 1957.

Linnton Community Center is progressing nicely and increasing in activities. Mr. William Mather is the director.

The Methodist Home is expanding by utilizing the new Manley Wing in early Spring. It is greatly needed by our older people, especially those of moderate means. There is still some work to be finished on the wing. Two floors will be occupied. The third floor will be roughed in and finished at a later time when enough applicants are available. Steadily growing is the fund for the Louise Bunch-Beulah Faber Memorial Chapel for which plans have been drawn. The cost will be approximately $10,500.00. This will be annexed to the Home on the East. The brick facing on the outside of the Manley Wing must be finished before the winter season. The Woman's Society and the Wesleyan Service Guild of the Oregon Conference are very grateful to those who have contributed toward this project. There are many opportunities yet for memorials and gifts. In serving these older people, we are serving younger people too in that we are providing a home and care for the older generation which enables those who are younger to live their own lives without the responsibility of caring for parents and grandparents in their homes. The Methodist Home of Salem located at 1625 Center Street will provide information to anyone requesting it. Visitors are welcome.

"Here am I send Me," was the theme of the oratorical contest of the M.Y.F. in March. We are deeply interested in a recruiting program for young people who may be interested in entering full time Christian Service or Church

Whereas Bishop A. Raymond Grant has once again proven himself to be the pastor of us all, guiding us—in his preaching, presiding and counseling—evermore into the paths of Him who is the Good Shepherd;

Whereas the Conference office and secretarial staff members have been unusually efficient and helpful;

Whereas excellent radio and telivision publicity for our Conference sessions has been given by the stations of Portland, and especially by KOIN Radio and KGW-TV; and DeWayne Woodring has rendered valuable service in the area of public relations;

Whereas The Oregon Journal and The Portland Oregonian have had staff men covering the proceedings, and have given us excellent coverage;

Whereas we have realized again the benefit of the study section program, and have been encouraged by the general positive tone of the Conference, the result of the brotherly cooperation of all Conference members;

Be it therefore resolved that the members of the 106th Oregon Annual Conference of the Methodist Church go on record expressing our warm gratitude and appreciation for these courtesies and many kindnesses on our behalf.

Respectfully submitted
Donald Colburn, Chm.

It is our earnest desire to create a fellowship without barriers in the local church and community; and in our minds and hearts to identify ourselves with the people of the world. We acknowledge it to be our duty to speak and act boldly in Christ's name for justice and peace for all people.

THE REPORT OF THE HEIFER PROJECT, INC.

791 cattle, 665 sheep, 388 goats, 71,302 chicks, 21,217 hatching eggs, 65 pigs, 165 rabbits, 20 hives of bees and 100 guinea keats were shipped to 25 countries last year by Heifer Project, Inc. A total of 115 shipments were made to Austria, Bolivia, Costa Rica, Ecuador, El Salvador, Germany, Greece, Honduras, Japan, Jordan, Korea, Mexico, Morocco, Nigeria, Pakistan, Panama, Philippines, Puerto Rico, Spain, Taiwan, Turkey, United States, Venezuela and Viet Nam.

These "living gifts of goodwill" were contributed by friends of the Project, either by cash donations or animals . Recipients included refugees, schools, orphanages and hospitals in war-ruined or agriculturally underdeveloped countries.

Thurl Metzger, Heifer Project executive says. "A unique quality about this program is the passing on of the first born offspring. Such a plan enables the first recipient to share his good fortune and help a needy neighbor. It also eliminates a feeling of inferiority that sometimes accompanies charity."

The smallest shipment, with perhaps the largest potential, was the delivery of 4 rabbits to Bolivia. A Methodist missionary, Robert Gnegy, had raised the rabbits and offered them to Heifer Project. The offer was accepted and Gnegy was more than amazed when he recently received his assignment to follow his rabbits to Boliva and begin his missionary work there.

MEXICO . . . January 16, Methodist missionary Anna Deavarus worked out a fine plan with 900 member Cooperative Orange growers association. The Association will care for stock. All milk from the dairy herd will go free to milk clinic operated by Miss Deavaurs . . . goats will go to selected families who need milk . . . boars and bulls for crossbreeding . . . sheep to be started at agricultural research center.

Veterinarians at border stated that this shipment was finest of animals that have ever passed through Laredo into Mexico! The shipment contained 11 Jerseys . . . 11 Nubian goats . . . 11 Suffolk sheep . . . 2 Duroc boars and two Hereford bulls.

A total of 51 countries have been helped by these shipments since 1944, when Heifer Project, Inc. was started. Will you not help us to make 1958 as successful as the past year? We appreciate the cooperation of Bishop Grant and the Methodist Churches of the Northwest.

100 high-grade Holstein heifers (bred to purebred sires) are to go from the West Coast to Hokkaido, Japan this summer.

REPORT OF THE COMMITTEE ON RESOLUTIONS

Whereas the 106th Oregon Annual Conference of the Methodist Church comes tonight to the close of a session that has been enriched by the ministrations of many individuals and groups;

Whereas the ministers of The First Methodist Church, Portland—Laurence E. Nye and O. Maxwell Graham— and their wives, have made our stay here very pleasant because of their many courtesies and genuine hospitality;

Whereas the lay members of the Conference from The First Methodist Church, Horace Beckham and John McHale, have devoted hours of their time to planning and working for our comfort and convenience;

Whereas the staff and membership have spared no efforts to see that all arrangements have been made for the smooth running of the Conference and we have appreciated the pleasant atmosphere in their lovely and convenient new building . . . .

ing his pastorates he gathered historical data of the communities which he served and has made use of his opportunities of research, looking toward the writing of a book on which he has worked during the past six years. He had written several chapters of the book entitled, A HISTORY OF THE OREGON ANNUAL CONFERENCE OF THE METHODIST CHURCH. For many years Dr. Yarnes was chairman of the Oregon Methodist Historical Society.

Thomas D. Yarnes was not only a student of the History of Methodism in Oregon, but through his life and service contributed worthily to the richness of that history and has left a rich heritage.

The couple served pastorates in Oregon and Alaska until 1913 when they moved to Hillsboro where Mr. Young went into the undertaking profession. He passed away in Hillsboro on November 4, 1951 shortly after the couple had celebrated their 52nd wedding anniversary.

Mrs. Young had taught French in several of the high schools here in Oregon. She was a member of the Methodist Church in Hillsboro, active in its King's Daughter's Class. Her two sons, Graham of Tigard, and Andrew of Cornelius, survive.

Conference Grade Figures

The grade figure is a proportion expressed in decimals of the financial ability of a church to the financial ability of the Conference. It is based two-eighths on membership, three-eighths on ministerial salaries, and three-eighths on current expense.

The grade figures are computed near the close of one conference year to apply to the following conference year. They are computed by using the averages of three years, the years being those three immiedately preceding the year in which the figuring is done and which are then published in the Conference Journal.

For the purpose of brevity, and to allow a small margin of safety against deficits, the conference averaged totals do not include fractions of thousands of dollars.

The formula for the part of the figure based on membership can be expressed by m/M x 2/8. The membership figure is found in Column 9 of the Conference Journal.

The salary item is s/S x 3/8. The salary figures are found in column 47c of the Conference Journal.

The expense item can be expressed as e/E x 3/8. The items included under expense are taken from columns 44, 45, 48c, 56c, and 62 of the Journal.

The total of the three above computations is a grade figure.
